

Stebon School individual and sibling photos

Dear parents and carers,

It's been my pleasure to photograph your child's individual and sibling school portraits over the last 2 weeks. The images are now up online at:

<https://blownaway.gotphoto.co.uk/login>.

If you would like to see and purchase an image. Please follow the instructions on the form your child has brought home with them.

The form will tell you how to order and give you a 10% discount code. The code is now valid until November the 18th. If your form has been lost please contact us with your child's exact details and we can supply a new code.

The form will tell you how to order and give you a 10% discount code. The code is valid until 18th November. Deadline for orders is the 30th November 2018 any orders placed after this date will be posted to your home and will incur a postage and packing fee,

Any queries contact me at: blownaway.gotphoto.co.uk

Kind regards

The Blown Away Team

Attendance – Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was 97.02%.

Congratulations to Marie Curie Year 2 class, with an amazing 100% record

Influenza (Flu) immunisation for pupils in Reception to Year 5

It's that time of year when the Tower Hamlets Immunisation Team are coming to offer the children (Reception to Year 5) the nasal flu vaccine.

The flu is an illness caused by the influenza virus, it is common during the winter months. The vaccination programme is designed to protect your child against flu which can be an unpleasant illness.

The Immunisation team will be at your school on **Thursday 29th November 2018** helping to protect them from the flu virus in time for the winter, and helping to protect other family members because they are not spreading the influenza virus infection.

Please complete and return the consent form to the school office by Wednesday 21st November 2018. It is important to complete and return the form even if the vaccination is refused.

Please make sure you have read all the information on the letter handed to your child today.

Please note the nasal vaccine contains a highly processed form of gelatin (deprived from pigs), which is also used in a range of many essential medicines.

FRIENDSHIP WEEK

This week we had the NSPCC come in to do a special assembly for everyone and to deliver workshops to year 5 and 6 called 'Speak Out, Stay Safe'. They gave us very important information about who we could speak to if we were feeling unsafe. Remember if you have any worries or concerns you can call childline on 0800 1111.

Year Six got creative during their Friendship week workshop, designing their 'Perfect School'.

Year 2 have been making patchwork elephants and celebrating 'It's o.k. to be different'. Look at their beautiful work!

In Wednesday's assembly, we introduced some of our Playground Buddies. Remember, if you need a friend in the playground, our Buddies are there for you!
