Who is a contact?

Direct close contacts:

direct face-to-face e.g. being coughed on or spoken to contact for any length of time OR within <1 metre for ≥1 minute.

Proximity contacts: ≤2m for ≥15 minutes.

Travel contacts: shared small vehicle together

This week we are moving from lockdown to Tier 2 and we want to continue to stay safe, especially with the upcoming festivities and holidays! Here's a little reminder of what a close and proximity contact is.

Here's a colourful Christmas tree that **Tawhid** and **Zak Alam** from **Y2 Albert Einstein** class decorated together. The children in AE have made some cards which will be sent to the elderly across Poplar and Bow with some winter care packages and Xmas meals.
