### Keeping safe online at Christmas – Facebook Live with Roblox on 16 December

Many of your children will be spending time online this Christmas. We encourage the positive use of technology and understand its role in fun and learning – at school and at home. But there are risks to all online activity, so we would like to tell you about an opportunity to find out more.

On 16 December at 7.30pm there will be a free Facebook Live session which will cover what to watch out for, top tips for staying safe, parental controls you can set and forget, and the opportunity to ask questions.

Sign up now to receive a reminder at [safechristmas.lgfl.net](https://safechristmas.lgfl.net).

The event will be run by experts in the DigiSafe team at LGfL and will also feature a special guest from the game Roblox which many of our pupils play.
