

Last week, Year 1 went on a trip to Mile End Park and on Year 2 went to Bartlett Park.

We were using our senses to see, hear, smell and feel Autumn.

We drew things that told us it was Autumn and collected Autumn treasures!

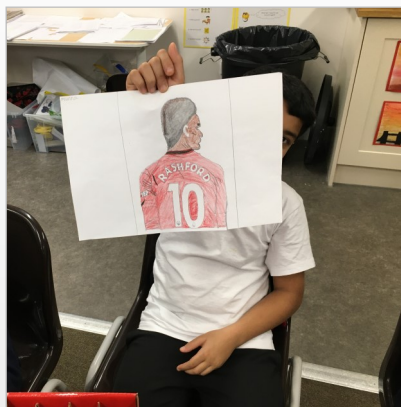

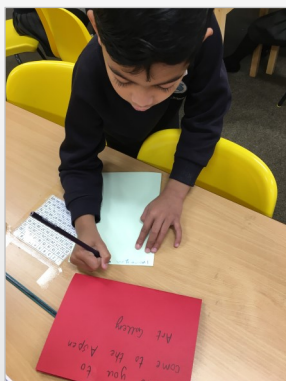

### Explorers

Over the last five Fridays, children have: built space stations, visited star domes, planted chilis, written to MPs, exhibited in 'galleries', visited 'galleries', marked legacies, sung to 'neighbours' and much, much more.

Last Friday, our Good Neighbour explorers brought smiles and songs to the residents of Aspen Court.

### 15 hours of free nursery places for 2 year olds

We are delighted to have the opportunity to expand our excellent early years provision to include free places for 2 year olds for qualifying families.

Some children may be entitled to 15 hours of free childcare from the term after their second birthday. Early learning for two-year-olds is only open to children that meet certain criteria such as coming from a low-income family, requiring additional needs or if they are currently looked after by the council.

If you have an older child who is currently at school and getting free school meals, younger children may be eligible for a free two-year-old place as well.

To register your interest in a place for your child at Stebon, please speak to a member of the office team. You can check if you are eligible for the funding by completing the online application form, or get more information by calling the Tower Hamlets EL2 dedicated phone line 020 7364 1553.

**Let your family, friends and neighbours know about this offer too and encourage them to speak to us for more details.**

**Please note that places are limited and subject to availability.**
