### Switch It Off Day!

Last Thursday, the 28<sup>th</sup> of November, Stebon took part in Switch It Off Fortnight by having a Switch It Off Day! Launched by our fantastic Eco-Stars during Wednesday's assembly. Staff and pupils alike were extra mindful about leaving lights or computers on unnecessarily, many teachers taught lessons without the interactive whiteboard and Beethoven class even did their assembly in the dark. Results are in this Friday to see how much power we have saved!

### Stebon Arts Ambassadors

Stebon Arts Ambassadors continued their carpentry project by constructing their own treasure boxes. As you can see, they've developed a number of skills including accurate measuring, sawing, hammering and securing joints.

### It's beginning to look a lot like Christmas!

Year 4 created fantastic stockings to help decorate the hall for Christmas! They used their sewing skills, cutting skills and thought about the decorations that would be needed on their stocking. They also made sure they helped each other complete their challenge.
