Attendance — Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was 96.69%.

Come on Stebon! Congratulations to Helen Keller class in Year 4 with an amazing 100% record.

Saturday School

Saturday School has been delayed once again. As soon as we have more information, we will give you an update.

In the meantime, if you are interested and would like an application form, please speak to our office team or Jaber in Year 6. Thank you for your patience!

P4C Question Corner

This week, children at Stebon were thinking about the big idea of... FRIENDSHIP.

The big question was: If a friend makes you sad, can they still be your friend?

What do you think? Can you explain your opinions?

PE Kits

P.E. kits are essential in school life to teach children about their health and hygiene as well as giving them the freedom to move with ease and succeed in P.E.

The school P.E. kit consists of:

- White t-shirt (no collar)
- Black, grey or navy jogging bottoms, shorts or leggings
- A pair of trainers (or plimsolls of any colour)
- Tracksuit jumper for outdoor P.E. (not school jumper)
- Waterproof coat

For their health and safety, please make sure that your child does not wear any jewellery, including stud earrings and watches on the day that they have P.E. If your child is unable to take out their earrings, please speak with me or your child's class teacher.

P.E. at Stebon will be outside throughout the year and children are expected to bring additional clothing for all weather, this includes lightweight waterproofs, a warm hat (that does not go around their neck) gloves and a spare pair of socks.

If you are unsure as to where you can buy items for P.E. kits please visit our school website and click on the parents tab and then select uniforms from the drop down menu.

Please do not hesitate to contact Sam if you have any questions regarding our P.E. kit policy.
