Year 5's visit to the Tower Hamlets Nature Reserve

Year 5 visited the Tower Hamlets Nature Reserve on Wednesday to experience walking through a forest! They will be using their experience to write suspense stories later in the week!

Ayesha has written a fantastic recount:

We entered through a green gate. We travelled deeper into the forest and saw a snake-like pathway with crumbles of snow scattered on it. With every step we took, endless trees imprisoned us. It made me feel small. Feeling the freezing air swishing around me, I heard feet squelching in the mud. Not knowing which way to go, I saw the narrow steps paved into the ground. Trees getting emptier, the leaves tried to cling on to the branches. The decayed tree trunks were rotting away.
