Nominee 1: Abul Hasan Chowdhury

I would like to be a parent governor because:

I believe I can bring positive attitude to the governing board. I am passionate about making real changes in the community through education; I take huge interest in my only child's upbringing and her education.

I could have a good influence if I become part of the governing board. I am very much involved in our local community, mosque, and other aspects of our social life. I am confident that I will bring a lot of enthusiasm and commitment to the team. I have worked in different organisations in my career as part of a team and I function very well on my own.

Nominee 2: Rochelle Robb

I would like to be a parent governor because:

Education is a valuable resource that helps us to grow and develop in so many areas; academically and socially. As a parent of a son in Secondary School and a daughter in her first year of school, I feel that I will have a variety of experiences as a parent of school age children that I could share with the board, the school and pupils whilst contributing to enhancing the education at Stebon.

Stebon is very warm and welcoming and I would like to build on the community atmosphere and be a voice for parents. Being a teacher myself and a Senior Leader in Education with an EYFS specialism, I feel I have a good understanding of the structure and procedures that schools undergo and feel I could provide support in many areas of school life and provide a well-rounded perspective. I am passionate and dedicated and if appointed will whole-heartedly support and build upon the amazing work already happening at Stebon.

Education & Childcare for 2 Year olds

Exciting New Provision at Stebon School

Many 2 year old children are now able to access **15 hours of free childcare** per week in the UK from the term after their 2nd birthday.

At Stebon, we are committed to giving all local children the best possible start in life. Being 2 years old is an important time in a young child's development – sometimes they need calm, quiet spaces; at others they benefit from mixing with older children and they will all need daily access to a safe, stimulating outdoor play space. We've adapted our accommodation to meet their unique needs.

Children are eligible if their parents are in receipt of any of the following benefits:

- * Income Support
- * Income-based Jobseeker's Allowance (JSA)
- * Income-related Employment and Support Allowance (ESA)
- * Universal Credit, & household income is £15,400 a year or less
- * Child tax credits, & household income is £16,190 a year or less
- * The guaranteed element of Pension Credit
- * The Working Tax Credit 4-week run on

We have fantastic new facilities for up to 24 two year olds; a safe space where your little ones can develop their skills and independence in a secure and happy environment. The provision boasts a spacious outdoor area, healthy food, varied & exciting activities and caring & attentive staff.

To check if you are eligible and apply please go to
