International Mother Language Day

This week, Stebon school had so much fun and worked with great determination to research facts about different countries and learn some basic phrases in their mother language. We also took part in our first eTwinning project and collaborated with two other schools- from Spain and Austria. Together, we've created a poem about learning languages, performed and filmed it, so we could send it to each other. It was so much fun watching the Spanish

children performing our poem! Please follow the link to see the video from the Spanish School : https://www.youtube.com/watch?v=TypTwb8ZJ18&feature=em-share_video_user

Wickywoo

There was a town called Wickywoo
whose people numbered 32.
They liked to paint their houses blue
because they'd nothing else to do.

One day a small boy stayed in bed,
and when they asked him 'why?', he said
"I'd rather paint the houses red,
I can't, so I'll stay here instead."

The answer came in not much time,
The colour of paint had to rhyme,
If it did not, that was a crime,
"Ding dong", the bells happened to chime.

Once a solution had been seen,
The town was renamed "Wickyween",
But bed boy just said "Hey that's mean,
I want to paint things red, not green!"

The other people had a think
because bed boy made such a stink
"We'll rename this place 'Wickywink'
then we can paint houses, um.... pink."

But bed boy said "That just won't do",
"We might as well just paint them blue.
So if it's still OK with you
Let's stick with the name 'Wickywoo'."

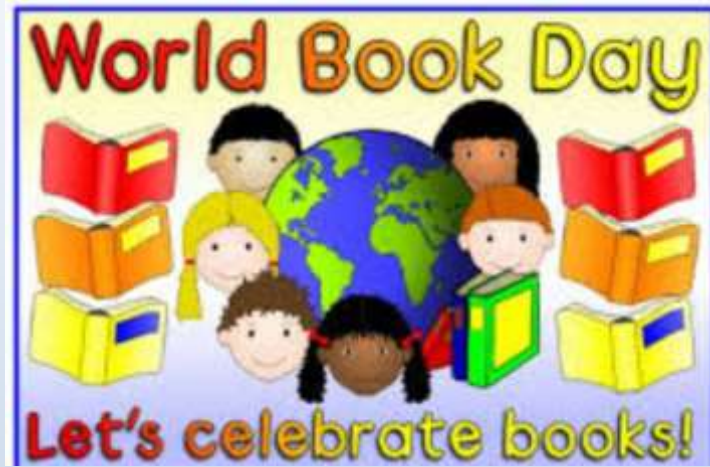

They had a picnic on a raft to
make this tale a little daffier
Wickywoo was filled with laughter
& they lived happily ever after.
