Attendance – Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was 91.47%. Come on Stebon!

**Congratulations to
Year 5 Martin Luther
King class with a 96.67% record.**

Dear mums, dads & carers

Well, we have reached the end of what's been a rather uncertain week around the country - not least for schools. We continue to respond to the most up-to-date guidance from the government about the Coronavirus (COVID-19).

As you know, schools are being asked to stay open until further notice. For as long as this is the case, our job is to make sure that your children are as safe as they can be while they are in school. It's something we take very seriously. We have been talking to the children about coughs & sneezes & how to wash your hands effectively - ask them to teach you how to do this! We also have hand sanitiser available at several of our entrances, including the main visitor entrance, as well as in other shared areas around the school.

The leadership team are preparing in case there are school closures at some point in the future. These include ways in which children can access some of their learning online. Your child's class teacher will be in contact with you as & when this becomes necessary. We hope that none of these plans will be needed, but it makes good sense for us to be prepared.

Thank you all & have a great weekend.

Kind regards,

Jeremy Iver (Headteacher)
