

Welcome back for the summer term!

Ramadan Mubarak to all our families that are celebrating!

Memory Boxes Project

As part of our recovery curriculum, the children have created memory boxes in their classes, to capture their thoughts and feelings about lockdown and the coronavirus pandemic.

We are going to put these in a store room and hold them as a time capsule so we can share them in 10 years time with the future generations of Stebon!

Here are a few of the finished boxes

'Our Promise To You'

We made a video letter sharing our promise to the children when they returned to school, we thought we'd share again with parents too!

The letter is in 3 parts - we are proud of you, we are here for you, and the future.

A Tower Hamlets helpline to support those who are eligible for the vaccine

There is a helpline available to support those who are eligible for the vaccine. Benefits of the helpline include speaking community languages; supporting those who are digitally excluded; tackling vaccine hesitancy and booking appointments directly with GPs.

Whilst not every young person is eligible for a vaccine right now, there will be conversations going on in households across the borough with parents/grandparents, and others, who are currently eligible, or will be soon. So you can get support by calling **020 7364 3030**.

Stebon is a Gold Shakespeare School! Well done everyone!

Here are some of our fantastic Stebon readers with the books they have chosen as their World Book Day prizes. What a great way to celebrate our love of reading. This summer term, teachers and TAs across the school will be on the lookout for children making a terrific effort with their reading and they will be able to choose a special book to take home to celebrate their achievements in reading.
