Online Safety

The Local Authority has received a number of notifications about children of primary school age accessing a number of apps on social media devices at home which appear to be games but are actually live online chatrooms. Through these Apps the children are sharing personal details and being exposed to extremely explicit and inappropriate images. The apps include Monkey, Moviestar Planet and Roblox. It is very important to monitor what your children are accessing and to ensure that appropriate filters are in place on social media devices to bar access to inappropriate sites.

If you require any help with setting up parental controls and filters on the devices that your child uses at home, please contact the school office to arrange for us to help and support you with this.

Dear Stebon Primary School,

Monday the 12th March 2018 was a truly memorable day at the Lyceum as we celebrated with you, our first ever Disney Musicals in Schools student share. It was thrilling to see so many students expressing themselves so confidently and joyfully on the stage and to see such a genuinely appreciative audience.

Thanks for your great commitment to the creative process and your magical performances yesterday. Please do send my warmest wishes to your senior leadership teams, the teachers and all the staff teams involved, your volunteers, your parents and the wider school community and of course to the young participants .

Matt Lane, Chief Executive Officer, Eastside Educational Trust
