

### A visit from our local MP, Apsana Begum

Our local MP Apsana Begum visited us at Stebon yesterday to meet with key workers' children and witness the school's food distribution in action to members of the community.

### Thank you!

A big THANK YOU to our wonderful NHS, key workers and carers from the children and staff of Magic Mini Stebon.

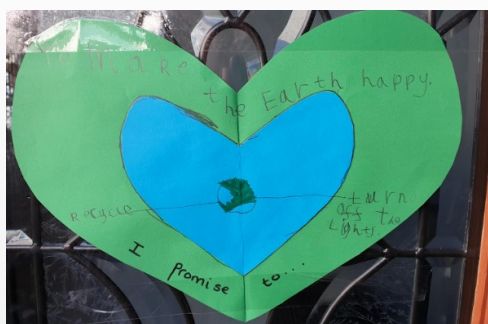

Following Government advice, we are currently operating a skeleton school. Please stay at home and stay safe:

- \*Only go outside for food, health reasons or work (but only if you cannot work from home)
- \*Stay 2 metres away from other people
- Wash your hands as soon as you get home.
- You can spread the virus even if you don't have symptoms.

### Earth Day

Stebon Pupils showed their support for Earth Day on the 23rd April by taking part in loads of fun activities. They created green hearts to display on their windows and also wrote some wonderful poems about the nature they can see through their window. Thank you Stebon children for showing how much you care about the environment.

#### Earth day poem

Environmental can be taken every day  
April 22nd is when we celebrate the holiday  
Reduce reuse recycle is a slogan for this holiday  
Trees clean and cool air around us so planting more trees is beneficial  
Help preserve a natural world for the future generations! Don't pollute

Do turn off lights & faucets to save energy and water if not using them  
Animals are affected by all kinds of pollution  
**Yes, you can make a difference to planet**

#### Nature poem

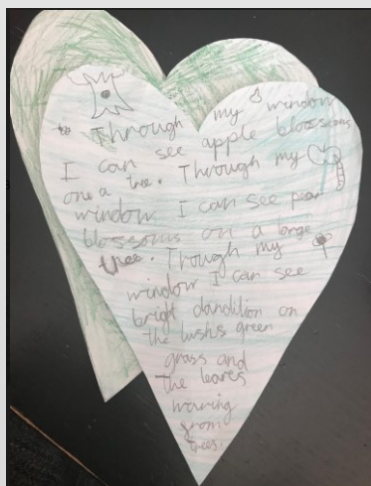

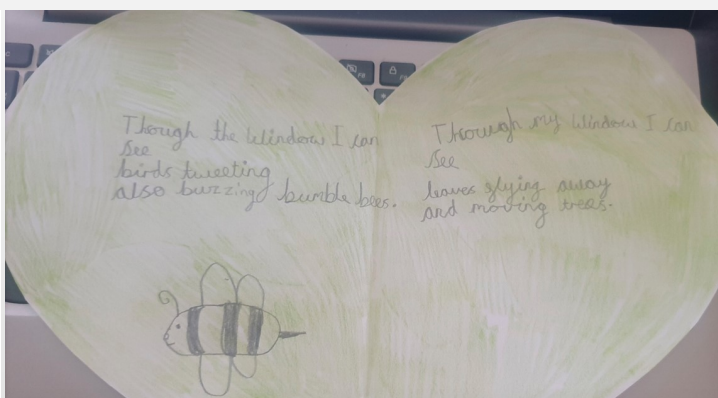

As I look through my window I can see gardeners planting new plants of all shapes and sizes on a hot spring day.

The sun is shining and the wind is blowing,  
the colourful green leaves are waving and swaying.

The sun is shining on big rocks and making the rocks look bright,  
the wooden blocks also look gold instead of yellow.

I love nature, it makes me happy.  
I love it more when the sun shines.

By Yaqoob Abdur Rahman

- \*Stay 2 metres away from other people
- Wash your hands as soon as you get home,
- You can spread the virus even if you don't have symptoms.

### Home Learning

A massive thank you to all parents supporting their children with their home learning. We understand things might be tricky at times but we are all learning and we will get there! We love seeing the work so please keep sharing. Here is some brilliant work produced by some of our amazing pupils:

Well done Mikaeel, Reception Vincent van Gogh class!

Shop Game 30.3.20

Mikaeel is exploring money using the things he likes to eat as a treat. He can make numbers up to 20 using 1p and 2p coins.

Making Pizza 30.3.20

Making Play Dough 31.3.20

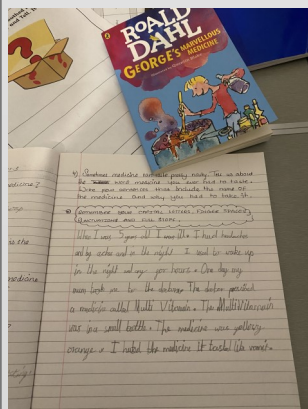

Mikaeel loved using technology to create images with wild animals. 30.3.20

Money 31.3.20

Mikaeel uses a range of 1p and 2p coins to make 16p. when he is counting, he taps on the 2p two times. He now understands that the 2ps value is two 1ps.

Year 2 have been listening to teachers read George's Marvellous Medicine. Comprehension questions were set online for them to answer in their workbooks. This has been produced by Younus in Albert Einstein. What brilliant hand writing!

Well done to everyone who is trying really hard with their virtual learning; we know it's not easy. We're so proud of you for showing all of Stebon's values, but especially determination! Here are some examples of LVB's English work showcasing some great language and wonderful art too. Well done Mahjuba & Aryaman. Keep it up!

### The witches Cat

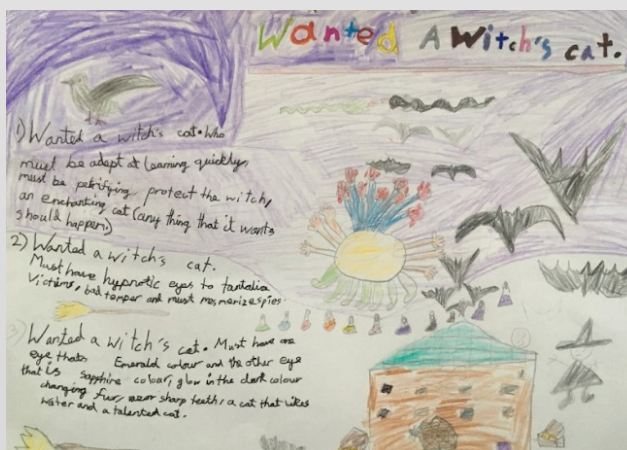

Wanted - A witch's cat must be cunning and wise, and have fur like the night sky, its claws must be sharp and shiny like the moon in the sky.

Wanted - A witch's cat must have terrifying eyes, to scare the enemies without a fight. It's hissing must be loud and clear and must be great in a fight.

Wanted - A witch's cat must not be scared of flights, for it's earnings will depend on it's bravery and might.

Mahjuba Humaira

Only the best need to apply!

\*Stay 2 metres away from other people  
Wash your hands as soon as you get home,  
You can spread the virus even if you don't have symptoms.

Ella Fitzgerald class has a brilliant tome this week. For English, the children created posters based around the poem A Witch's Cat by Shelagh McGee. Pupils really enjoyed their maths work on multiplication.

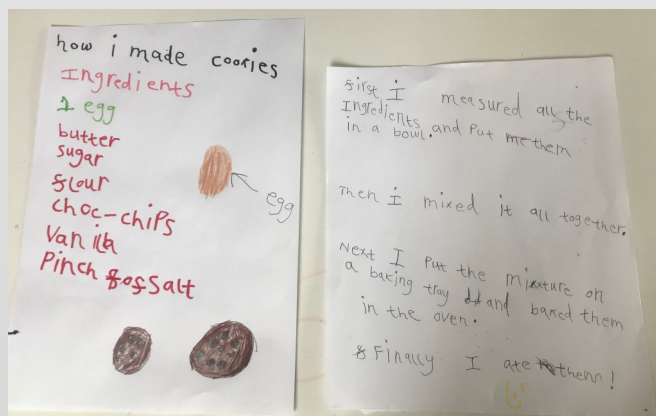

Iyaaz has been doing brilliant home learning on handwriting, making snake bubbles using equipment at home & drawing with Rob Biddulph. Well done Iyaaz for also completing all the work set on Google Classroom!

After watching Thursday's origami activity video Saida & Rumaysa made their own Origami ice cream cone!

Rumaysa baked some cookies and wrote about it. She worked very hard on this. Well done Rumaysa.

### DEAR PARENT,

Our class uses GoNoodle to stay active and engaged in the classroom with dance-alongs, yoga videos, mindfulness activities, and other awesome ways to move while reinforcing educational topics. Great news! Your family can make screen time active and play GoNoodle at home for FREE!

#### 2 Great Ways to GoNoodle at home:

##### GONODDLE VIDEO APP

- Dance with fun videos that focus on fine and gross motor skills, cross-lateral movements, and coordination.
- Move with GoNoodle mixes of favorite videos, packaged up for use at different times - bedtime, family time, and more.
- Practice mindfulness with videos that teach kids how to de-stress, manage their emotions, and resolve conflict.

##### GONODDLE GAMES APP

- The new gonoodle games app gets kids moving, ducking, dodging and holding a pose with fast-paced mini-games. Download the free app on iPhone or iPad today! (Android coming soon)
- You can pop bubbles with Flo Yo!
  - Race through space with Zapp Von Doubler!
  - Do yoga poses with Om Petalhead!
  - Make rockin' music with Squatchy Berger!

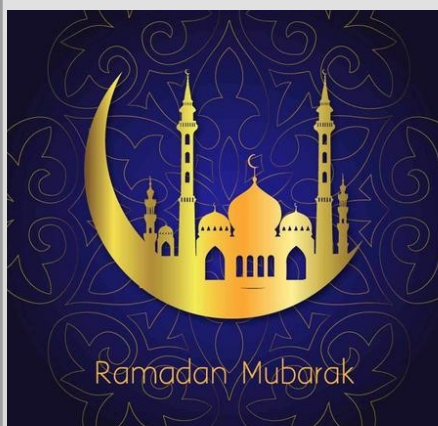

**PLAY FOR FREE AT GONODDLE.COM**

##### GoNoodle video On Mobile apps

##### GoNoodle video on streaming devices

Ramadan Mubarak

And finally, with Ramadan beginning today we would like to wish all of our Muslim families & staff the very best in your challenge. Ramadan Mubarak! Stay safe, look after yourselves & one another, keep logging on & learning.
