We wanted to find out how wheels move so we started by taking a vehicle apart and identifying the main parts.

Very exciting!

A Tower Hamlets helpline to support those who are eligible for the vaccine

There is a helpline available to support those who are eligible for the vaccine. Benefits of the helpline include speaking community languages; supporting those who are digitally excluded; tackling vaccine hesitancy and booking appointments directly with GPs.

Whilst not every young person is eligible for a vaccine right now, there will be conversations going on in households across the borough with parents/grandparents, and others, who are currently eligible, or will be soon. So you can get support by calling **020 7364 3030**.
