- **Year 5 & Year 6:** <https://www.youtube.com/watch?v=PjRDrMigL1g>

### How to get medical help

While everyone is being told to stay at home, it can be hard to know what to do if you're unwell.

It's still important to get medical help if you need it.

There are ways to get medical help and prescriptions online or over the phone.

- For help from a GP – use your GP surgery's website, use an online service or app, or call the surgery.
- For urgent medical help – use the NHS 111 online service, or call 111 if you're unable to get help online.
- For life-threatening emergencies – call 999 for an ambulance.

If you're advised to go to hospital, it's important to go. Keep going to any appointments you usually have, unless you're told not to.

## Newsletter

2019-20  
Issue 28, 15th May  
2020

Following Government advice, we are currently operating a skeleton school. Please stay at home and stay safe:  
\*Only go outside for food, health reasons or work (but only if you cannot work from home)  
\*Stay 2metres away from other people  
Wash your hands as soon as you get home,  
You can spread the virus even if you don't have symptoms.

### The Toyhouse Centre

The Toyhouse Centre upload new creative ideas for parents to use with their children, especially under 5.

These use everyday household items and give ideas which aren't screen based. They also upload weekly stories and songs which can be accessed from the page for young children:

### Home Learning

This week we are sharing more fabulous work produced by our wonderful pupils. Thank you to all our parents for supporting our pupils with their home learning. We love seeing the work so please keep sharing!

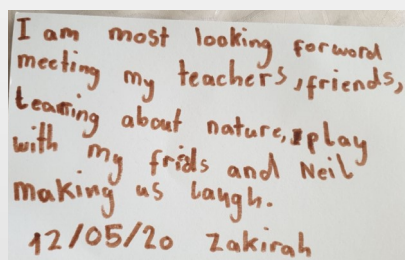

Ahian's, from Albert Einstein in year 2, produced some great English learning this week. Lovely to see the hard work at home!

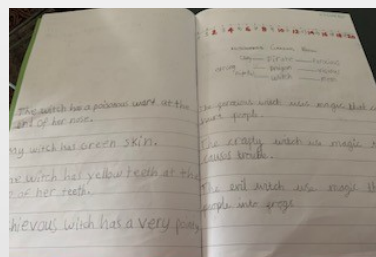

Ithika, it is wonderful to see your hard work, some great maths going on, keep up the good work!

Zakirah, it's wonderful read all the things you are looking forward to when you come back to school. Great piece of writing!

Here is Naila's English work, we love the adjectives used, great sentences! Keep up the fantastic learning!

This week children have been learning how to make a bird feeder using an orange. Anaya from VVG class made her very own bird feeder and hung it outside her window. Well done Anaya! I hope you managed to see lots of birds eating from your bird feeder.
