

Attendance – Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was **96.85%**. Come on Stebon!

Congratulations to Margot Fonteyn with a **100%** record.

Don't Miss Out: Nursery & Reception Places Opportunity

There are still a few spaces remaining in our nursery & reception classes for September. If you, or anyone you know of, has a child who is 3 or 4 years old & is interested in attending our school, there is still time to apply & you would be likely to get a place. We would be more than happy to show around anyone interested in having a look at our lovely school or simply in finding out more. For more information, or to ask how to apply, please contact our school office. Applications may also be made directly through Tower Hamlets Pupil Services - we will be happy to put you in touch with them.

The LETTA Trust

STEBON PRIMARY SCHOOL

Term Dates 2018-2019

School Open: Tuesday 23rd April - Friday 24th May 2019

May Bank Holiday: Monday 6th May 2019

Stebon will be used as a polling station on Thursday 23rd May 2019 therefore the school will be closed for pupils.

Philosophy question

What is art?

Good luck to our wonderful Year 6 pupils for their SATs.

You can do it!

Stebon's Earth Day

On April 26th we held our first Earth Day at Stebon Primary School. It kicked off with a special Eco-Stars assembly, where we introduced the plan for the day; everyone had to SWITCH IT OFF! No computers, laptops, cameras, interactive whiteboards were used for teaching, many classrooms switched off their lights and everyone was much more mindful of their electricity consumption that day.

As a result of Stebon Earth Day, we saved around £25 in electricity, which over a school year is a saving of £4,500! With this money, we could buy 28,481 pencils and pay for 750 trips to London Zoo! Most importantly it means that on this day we saved much more ENERGY, this means that Stebon reduced its fossil fuels consumptions for that day and it is a step towards Stebon becoming a greener school. Our Eco-Stars team are currently working towards Stebon becoming a Green Flag School, following the Eco Schools Initiative. If you would like to find out more please check

out their website at <https://www.eco-schools.org.uk/> or ask at school how you can help Stebon Primary School help the planet!

Year 3 visit the London Zoo

Our Year 3 pupils had a wonderful time at the London Zoo earlier this week.
