Year 4 trip to National Gallery

As part of their architecture project, Year 4 went on a fantastic trip to the National Gallery. They met their mentor architects, made drawings of the architectural features they could see and even looked out across the London skyline from the gallery roof.

National Maritime Museum

Year 2 went to pirate school at the National Maritime Museum last Friday. They learnt all about what pirates do and how they behave. They enjoyed their day by exploring a pirate ship and in the role-play area shared pirate treasure among the crew.
