This week, Year 5 took part in a virtual ZooLab workshop. We met some unusual creatures online (including a giant millipede, a tree frog and a corn snake) and discovered how climate change affects animals in many ways.

This supported our learning about the environment and the responsibility we all have to protect it.

On Wednesday, Year 3 and Year 4 took part in the School Number Heroes competition! They drew about the way they would like to use numbers when they grow up.
