Stebon Primary School cordially invites you to attend the strategy launch of our Family Learning Hub

Monday 15th July 2019 at Stebon Primary School from 8-11am.

Stebon Primary School sits at the heart of the Burdett Estate; supporting our children and their families is part of the schools' core purpose.

We encourage our families to aim high and as part of this dream, we want to invest in the future of our community by building a Family Learning Hub, accessible to all, on the edge of Stebon's playground.

The Hub will provide a flexible, modern, light and environmentally friendly space, offering families across the community the chance to meet, learn and communicate.

It will house a Family Library, where parents will be encouraged to read to their children and take books home. The space will also host a range of adult classes including ESOL and cooking skills; alongside these workshops we will focus on well-being and Mental Health, by facilitating advice sessions, drawing from expertise across London.

**This dream of the future can only come true with your support.**

### Identity Project & Class Photos

Next week sees Y6 begin 'The Identity Project'. This is a chance for every child in the two classes to think about who they are as a person and what makes them different to their classmates.

As part of this learning, they will write a short text, focusing on three key things:

- 1) How Stebon has influenced their lives and a particular place in the school that means something to them
- 2) How a specific object represents their identity
- 3) What their hopes and dreams are for the future.

They will then be photographed in their chosen place in school with their object and this will be framed alongside their writing, ready to be displayed in the school for the following year.

For this, it would be great if parents could discuss with their children about what they think makes their identity special and allow them to bring their chosen object into school to be photographed (the photos will be on any day from Monday to Friday). Please, no electrical items are

All lost property will be displayed in the playground, next week. Please collect items that belong to your child. All items will then be disposed of. Thank you!
