

### Congratulations from the Mayor of London

The Mayor of London, Sadiq Khan, has sent the school a letter of congratulations and an invitation to join the Schools for Success programme.

Schools for Success gives exceptional schools like Stebon the chance to share our story.

Stebon has made fantastic progress with students that started behind their peers. Our students have made progress in the top six per cent of London schools.

We have been invited to a special event to collect our certificate and celebrate this incredible achievement.

Watch this space!

**MAYOR OF LONDON**

### NOT MUSH ROOM ON OUR PLATE

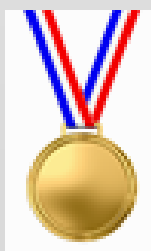

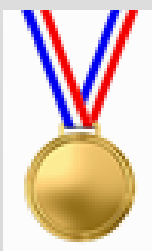

Over the last month, our Nurture Group has been growing mushrooms! They grew to be huge, and we all shared a delicious mushroom pizza.

### Attendance – Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was 95.49%. Come on Stebon!

Congratulations to  
Beethoven with a 99.67% record.

### Class Swap

This year, Stebon's class swap will happen on Wednesday 17th July 2019. Our pupils will spend the morning in their new classroom with their new class teacher.

We will be trying something new this year.

We will be holding a meeting at 5pm, in the hall, to give parents the opportunity to meet their child's new teacher.

You will also get the chance to see your child's new classroom.

We are really looking forward to trialling this and hope to see you all there!

### Reading Tutors at Stebon

On Tuesday, Year 1 welcomed their reading tutors to school to celebrate their learning from this year. They had lots of fun meeting each other and sharing some food. We are very grateful to the tutormate programme for their support reading with our children this year. A big thank you to the tutors who have given up their time each week and a big well done to the children who have worked hard to improve their reading skills!

### From a caterpillar to a butterfly

Year 3 have been learning all about life cycles watching their very own caterpillars prepare to turn into butterflies.

### Year 6 Zoolab Workshop

Year 6 had a special visit from Zoolab this week.

### **Be Healthy Week**

**Last week was Be Healthy Week, the children had lots of fun at Mile End Stadium competing against each other on Sports Day. Thank you for all the Parents who came to support the children. We also had a special visit from a GB athlete, ABA Boxing Champion Jonathan Kumuteo! Jonathan spoke to the children about his journey and ran workshops for Nursery to Year 6.**
