British Athletics School Ticket Offer

We have teamed up with British Athletics to offer pupils and their families the opportunity to attend the Müller Anniversary Games at the London Stadium on Saturday 20th and Sunday 21st July.

What better way to inspire your family than by heading to the iconic London Stadium to watch the new crop of athletic stars as they continue their preparations for the 2020 Olympic and Paralympic Games in Tokyo.

There will be plenty of things to see and do in the fan village before all the action starts inside the stadium. You can have a go on the Müller Run, Jump, Throw & Push activities or try out the high jump at the SPAR Sports Club.

Don't miss the live band, face painting, bib printing, autograph zone and a chance to meet the loveable mascot Brit Bear plus so much more for a guaranteed great family day out!

We have been offered tickets for this event at a special price of £5 for adults and £5 for juniors (16 & under) in price category D areas inside the stadium. Anyone can buy tickets so get your friends and family involved too.

Stebon Play Street 12th July 2019

Masjid Lane will be having a Play Street event on Friday 12 July. There will be lots of fun activities for pupils and their parents to take part in.

Parents will collect children at the normal time from school pupils and parents will then have the chance to enjoy the play street together. There will be opportunities for children and adults to try cycling in the MUGA at St Paul's Way, pupils performances and lots of fun games to play on the road.

The road will be closed between 2:30-4:30 so no parents or teachers will be able to use the road during this period. If parents must drive we have arranged that they can park at Mile End leisure centre for free. To get a free parking permit for the duration of the event they must visit the Mile End Leisure Centre reception and show either the parents letter or a flyer for the event.

**Stebon Primary School cordially invites you to attend the strategy
launch of our Family Learning Hub**

Monday 15th July 2019 at Stebon Primary School

Stebon Primary School sits at the heart of the Burdett Estate; supporting our children and their families is part of the schools' core purpose.

We encourage our families to aim high and as part of this dream, we want to invest in the future of our community by building a Family Learning Hub, accessible to all, on the edge of Stebon's playground.

The Hub will provide a flexible, modern, light and environmentally friendly space, offering families across the community the chance to meet, learn and communicate.

It will house a Family Library, where parents will be encouraged to read to their children and take books home. The space will also host a range of adult classes including ESOL and cooking skills; alongside these workshops we will focus on well-being and Mental Health, by facilitating advice sessions, drawing from expertise across London.

Join us at 3pm in the playground!

This dream of the future can only come true with your support.
