School closed on Friday 15th June 2018

School will be closed for Eid on Friday 15th June.

On Monday 18 June we will all return to school at normal time.

Eid Parties

Monday 18 June 2017

Staff and pupils are invited to come to school in their Eid/party clothes. Children will have an Eid party in their respective classrooms. Please provide party food.

Be healthy week

Last week was Be Healthy Week and the children had lots of different fun activities and workshops during the week to learn about being healthy. We kicked off the week with a fun run in our assembly. We learnt about how food is cooked and how that affects whether it is healthy or not. The children learnt about sugar and all the foods that have hidden sugar in them and how it can negatively effect our health. Year 1 learnt about looking after their teeth so they stay clean and healthy. Nursery and reception learnt about which foods are healthy and unhealthy.

During be healthy week years 2-5 had interclass competitions in their PE lessons. We had lots of competitive but sportspeople competing brilliantly in football, hockey, netball and handball.

Stebon Sports day 8th June 2018

On Friday 8th June, Year 1 to 6 went to Mile End Stadium for Sports day. We had children running in races both over long and short distances, Javelin, shot put, tennis ball and chest throws as well as long jumps and triple jumps too. We had lots of parent come to support their children so thank you parents we hope you had a lovely day.

Year 1 participated in the first ever Stebon triathlon! Children from each class swam, cycled or ran in their special PE lesson

Year 2 have been practicing their teamwork skills, including listening and sharing ideas as part of their Enabling Enterprise week project to develop a cafe. They have also been practicing their violins in preparation for the concert next week.

A special enterprise challenge day where children worked in teams to create new sports.

Martin Luther King class enjoyed inventing their own sports and testing them out in the playground as part of the Enabling Enterprise project!

Year 4 Architecture project

As part of their architecture project, how could people get from one place to another in our shared city? Children's ideas revolved around cycle routes, green paths, river travel... zip wires.....hot air balloons.....Year 4 began making the models that will make up their *Shared City*. Our brilliant architect mentors from Lipton Plant joined the session to help us make buildings that are both structurally strong and structurally beautiful.
