### **Newsflash!**

Year 4 has been awarded the *Design Development Prize* in the Architecture in Schools Award. A selection of their brilliant models will be on proud display at the Wintergarden Hall, Canary Wharf and all of our young architects will receive a portfolio of design materials. Congratulations!

### **Class photos: Order Online**

Blown Away Photography is very pleased to announce this years school class pictures will now be available for you to purchase online at

<https://blownaway.gotphoto.co.uk>

with the access code **STEBONCP18**.

Through the website you will have a much greater choice of picture sizes, frames and gifts for your class photograph. Final date for placing orders is **13.07.2018**, the photographs and gifts will then be delivered back to school in the last week of term.

Late orders will have the option of having their photographs delivered to their home at an additional cost of £3.99 for shipping. We hope that this will bring more choice and a much improved service to your school.

Kind regards from all at Blown Away School Photos.

### **Spanish Day**

The first Stebon Spanish Day has been a huge success! We had a fun assembly learning about Spain. Well done to Reception, Y1 and Y2 children from Adventures around the world and Spanish clubs who sung some songs for us! The highlight of assembly was a Skype

session with a lovely teacher from Madrid - Elysa. In the afternoon, all Stebon pupils enjoyed a cele-

bration event outside in the sunshine and shared with each other all we had learned about Spanish culture. The fruit punch was flowing, games and quizzes rolling and even teachers couldn't stop dancing! What a great day it was!

### Year 6 Summer Show

Year 6 will perform their end of year show 'A Night at the Musicals' on the 18th July but we are in desperate need of some certain props! Can you help us? We are looking for:

- Boxing gloves
- Wicker baskets
  - Buckets
  - Brooms
  - Mops
- A top hat
- Flat caps

If you can help us with any of these items. Please send them in with your child (named so we can return the item) to the music room. THANK YOU.

### Ducklings at Stebon

We have had a very egg sitting week welcoming to the world some baby ducklings! The adults and children have loved watching them hatch out of their eggs and cannot wait to see how they continue to grow next week.

### Enabling Enterprise

Over the past few weeks, David Attenborough class have been learning about how to become architects, engineers and builders as part of our Enabling Enterprise week! We have thought carefully about the type of buildings Poplar needs and how we can cater for the needs of the local community. We have then designed and built models of our buildings. We have also thought carefully about how we can work as a team and the importance of different skills that will help us with whatever job we have in the future.
