

Well done to Y2 Brian Cox class for 99.2% attendance this week!

Y5 MLK have been inspired by ancient Greek pottery and the contemporary artist Grayson Perry. Having learnt a range of clay techniques, they are now beginning to tell their own stories on the surface of their magnificent vases!

Stebon staff have all been working hard to make sure the classrooms are exciting spaces for the children to learn. Check out some more pictures below from across the school!

Attendance

Every day matters – Every minute counts!

Stebon's magic number is 97%. This is because we are aiming for 97% attendance this year.

This week's attendance was 93.4%

Family Fun!

Ideas to support
learning, play
and well-being

Place Value Cups

Children love this hands-on approach to exploring place value. Just write the digits 0-9 on a set of disposable cups. Now say a two-digit number like 78 and get them to create it using the cups. According to their age and ability, challenge them by saying even larger numbers for them to create!

Autumn Art

Get inspired by the changing season and create your own Autumn art- using natural materials like leaves. Look carefully at the shape of the leaf and see if it reminds you of anything. Use paint and pens to add features and create animals or you could even invent your own imaginative creatures!

Lunch Box Tips

Autumn is a great time to reinvent the school lunch box. Get inspired with these healthy ideas!

Keep them fuller for longer

Base your lunch box on wholegrain bread, rice, pasta. They are higher in fibre and will help them stay fuller for longer.

Introduce more wholegrains

If your child doesn't like wholegrains, try making a sandwich with one slice of white bread and one slice of wholemeal bread.

Ditch the sugary snacks

Swap cakes, chocolates and biscuits that are high in sugar for healthier alternatives such as malt loaf, fruit breads or fruit.

Get the children involved

Let them choose and prepare what goes into their lunch box. They are more likely to eat it if they have been involved in making it.

Be careful with dried fruit

Dried fruit counts towards their five a day, but it can stick to teeth so should only be eaten at mealtimes to reduce the risk of tooth decay.

Check your cheese for fat and salt

Cheese can be high in fat and salt. If you choose stronger tasting cheese, you won't need as much of it. Or try using reduced fat varieties.

Animal Yoga

Try out some of these animal yoga poses for all the family!

**Free sessions for Tower Hamlets
parents and carers, delivered by
the Parenting Team**

Parenting can be hard work!

- Are you struggling with your teenager?
- Would you like simple and practical strategies to help deal with teenage rebellion, aggression, risky behaviour and emotions?
- Would you like to improve your confidence in raising confident, healthy teenagers and building stronger relationships?

Triple P Teen is for parents and carers of young people aged
12 - 18 years.

Group sessions are 2.5 hours per week for 8 sessions. You will watch video clips from the Triple P 'Every Parent's Survival Guide' which will show you how the ideas work in real life. This is also a great opportunity to meet other parents and carers in similar situations.

Our next course starts on:
Monday 27th September; 10:00am - 12:30pm
(Every week until Monday 22nd November 2021)

Venue:
George Greens School (Café Vert), 100 Manchester Road,
London E14 3DW.
