

### Exceptional writing in Year 6

Year 6 have been working on their writing together! They have helped each other improve their writing by checking their sentences and making sure the language they use gets the right emotions across to the reader. Well done!

### **Attendance—Every day matters; every minute counts**

Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was **97.6%** - amazing, for the third week!

Congratulations to **this week's attendance winners**, with an amazing **100%** record:

**Albert Einstein Class Y2**

**Ludwig Van Beethoven Class Y3**

PS Do ask your child about ice lollies & what these have to do with good attendance.
