

Stebon pets

Our Guinea pigs need to eat a lot of fresh veg to keep them healthy and happy. We would be grateful for any donations.

They like: green beans, red peppers, curly kale, spinach, broccoli, cucumber. Please leave all donations in the guinea pig food cool box next to their hutch.

Thank you very much

Reporting your child absence

Dear Mums,
Dads and
Carers

Please could you inform the school before 9.30am in regards to your child's absence. You will need to provide a reason for their absence. At times an attendance officer may make a follow up courtesy call, to gather further information and or offer support.

Thank you

School safety

You will be pleased to know we have updated and improved our security systems at the school. Parents/visitors will no longer be able to leave the building by 'press to exit' via the front reception area. Furthermore both the Nursery doors can now only be accessed by staff, children will need to be dropped off via the main Nursery playground gates. Therefore please ensure you are leaving promptly in the mornings and afternoons via the main playground gates which closes at 9.20am in the morning and 3.45 in the afternoon. If you are in the school at any other time Office staff will help you to exit.

Number and reading partners

Year 3 are really excited to have begun working with our number and reading partners who come to help us with our learning. They come especially to work with us giving up time from their important jobs. We read our favourite books and played number games in our first session together.

Cycling lessons for Year 2

Year 2 have been enjoying their weekly cycling lessons. Everyone has been developing more confidence as well as learning about cycle safety checks.

Attendance—Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this

year. This week's attendance was **97.2%** - amazing, for the fourth week!

Congratulations to **this week's attendance winners**, with an amazing

99.67% record:

Nelson Mandela Y5

PS Do ask your child about ice lollies & what these have to do with good attendance.
