What is a parent governor?

The members of the local governing board (LGB) work closely alongside the Headteacher and other school leaders. Their focus is the quality of education, safeguarding and the behaviour and welfare of pupils in their school. They are advocates for their school and are the point of communication between stakeholders in each school and the LETTA Trust Board.

Why me?

All parents and carers of Stebon pupils are eligible to stand as candidates for this LGB vacancy. The qualities you need for being a member of the LGB are **enthusiasm, commitment** and an **interest in education**. You also need to be able to **work well in a team**. Good candidates will bring skills sets to the team. Let us know what they are. If elected, you may continue in this role for 4 years, even if you no longer have a child at Stebon.

November Lockdown

Dear Parents/Carers,

For many of us November may be looking a little daunting with lockdown back in force but I am really pleased that we are able to remain open and hopefully provide some stability during this period. We realise that this is a worrying time for some but just because we cannot be in the same physical space doesn't mean we can't still support each other, and it is needed now more than ever. With teamwork, good planning + preparation and our personal dose of good humour we can get through this together!

Please rest assured that we will continue to follow our COVID-19 Risk Assessment moving forward and will strive to keep everyone in school as safe as we can.

We would like to take this opportunity to say a big THANK YOU to all parents who have been co-operating with all the procedures we have in place (barrier and gate changes); together we have made the roads of the Burdett Estate much safer and more secure!

Moreover, we would like to thank all the children who are being so resilient during these times and all the staff, who have gone above and beyond to provide the best education they can. Even when faced with an unprecedented situation like the COVID-19 outbreak, our teachers have made sure that the children at Stebon are safe and that they can keep learning. - YOU ARE AMAZING & EXCEPTIONAL!
