

Stebon school is closed for half term from 22nd October to 26th October 2018 .
School will also be closed on Monday 29th October 2018 for staff INSET day.
School re-opens on Tuesday 30th October 2018.

Garden Club

There was a special garden club this week with Camila from Groundworks.

She taught the children names of the different herbs in Stebon's garden and they also made and tasted mint tea.

Spanish learning

Stebon school has been successful in our application for an Erasmus + grant . This will fund a Spanish course for 15 members of Stebon teaching staff who will go to Spain to learn the language and how to teach it to Stebon pupils. We will also get some help from the local authorities to deliver Spanish curriculum in our school. The first 4 teachers are going to Malaga this Saturday. We can't wait to hear what they have learned on their course!

Co-funded by the
Erasmus+ Programme
of the European Union

Year 4 have been extra creative this week in creating their angel wings for their upcoming performance.

Building Aliens

Year 3 have been working outside last week building aliens using only clay and natural resources from our playground. They had a great time searching for beautiful autumn leaves and sticks and have created some mini-masterpieces for their space topic.

Attendance—Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this

year. This week's attendance was **97.49%** - amazing, for the last week!

Congratulations to **this week's attendance winners**, with an amazing

99.33% record:

Ludwig Van Beethoven Year 3 & Rosa Parks Year 4

PS Do ask your child about ice lollies & what these have to do with good attendance.
