

### Year 5 Swimming

Well done to Mothar in MLK for showing us what it means to be 'excellent' in our learning! Although Mothar was already a great swimmer, he was not complacent, but he was determined to further improve his skills!

Well done to Ismail in MLK who has shown tremendous progress in his swimming skills. For two weeks, Ismail demonstrated consistent determination and eagerness in learning how to swim, and it was a great delight to see his efforts rewarded!

### **Attendance – Every day matters; every minute counts**

**Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was 94.95%. Come on Stebon!**

**Congratulations to Margot Fonteyn with a 99.33% record.**

### General Election

Due to the general election, Stebon Primary School will be closed for pupils on Thursday 12th December 2019.

### Friendship week

We are celebrating friendship week at Stebon.

We have an exciting show, workshops, lunchtime activities, competitions and prizes to be won by classes. Friday 15th November is "wear odd socks to school day." We are hoping to raise money for charity. Please bring in 50p and wear odd socks to school!

### Reminder for families

If you have entered our premises via the pupil entrance, please do not walk through the building. If you need to speak to the office team please enter the office via the main entrance only. This is to ensure the safety of all our pupils.

### Lost Property

Lost property will be displayed in the playground, under the shelter, next week. Please collect any item(s) that belong to your child. Unclaimed items will be donated to charity.

### Shaping Stebon's Future

#### Save the Date

Our annual Shaping Stebon's Future meeting with parents and governors will be on 27th November 2019 from 5pm to 6pm. We look forward to seeing you then.

### Saturday School

This term, Saturday School at Stebon is thinking about our impact on our world- this photo is from one of our trips out to learn more about plastics at the Plastic Unwrapped workshops at Poplar Union. We are out on a whole day trip this coming Saturday (9th Nov) to a farm in Maidstone to pick and decorate our own pumpkins (as well as visit the animals and stomp about in mud of course!) We'll be back on site on Saturday 16th Nov, so if you're new and want to visit to see what goes on please pop in!

**THE FELIX PROJECT**  
GOOD FOOD FOR GOOD CAUSES

### Schools Programme

**THE FELIX PROJECT**

### Schools Programme

#### Who are we?

More than 10 million tonnes of food is wasted in the UK each year. At the same time food poverty is a huge and growing problem, with 1 in 10 children in the UK living with parents who struggle to put food on the table. The Felix Project provides a free door-to-door service to collect surplus food from suppliers and deliver it to charities and schools. Since March 2016 we have delivered food to over 560 charities and schools across London.

#### What is the Schools Programme?

In December 2017 The Felix Project started its Schools Programme. We provide a free weekly delivery of surplus food that is made available to children and their families to take home and enjoy.

#### What does The Felix Project provide?

- A weekly delivery of a wide range of produce including fresh fruit and vegetables
- A training session/assembly
- Support and advice whilst the market stall is being set up

#### If you are interested in being part of The Felix Project's Schools Programme

Please contact Anne Elkins at [schools@thefelixproject.org](mailto:schools@thefelixproject.org) or 07428 571696.
