

This Wednesday, the cast of the Shakespeare's *Tempest* and *A Midsummer Night's Dream* charmed the audience of Pleasance Theatre, London. A sincere thank you to all who supported. On Wednesday evening and Thursday morning this week, we celebrated the culmination of weeks of hard work by the children in Y4 with their fabulous Shakespeare performances. At the Pleasance Theatre and in the school hall, those of us lucky enough to be in the audience were treated to a feast of suspense, tragedy and comedy served up by the casts of *The Tempest* and *A Midsummer Night's Dream*.

The children of Y4 delivered their lines with meaning and emotion and worked together to put on a terrific dramatic performance. Their attitude and professionalism shone out.

Making SSF happen takes a huge amount of work, effort and support and we'd like to say thank you to all of those involved. Firstly, to the Y4 teaching team and Jenn who have worked tirelessly with the children to rehearse the performances. Also, to all the staff in the school office who helped us with the considerable amount of admin work that needed to be done to make it all happen. A special shout out to our wonderful art teacher Atlanta and the volunteer mums who created stunning costumes for the children to bring their characters alive in.

Most importantly, Stebon would like to say a huge thank you to all the parents who showed support to their children by helping them learn lines, providing food for them on performance day and coming along to cheer their children on. We can all agree that, without the wonderful audience enjoying the performances and supporting the children, the night would not have been the same. So

THANK YOU ALL!

Finally, to the children of Y4 - we are incredibly proud of you all. You showed maturity, great team work, determination and huge dramatic flair. Well done for all your hard work and we hope SSF is an experience you will remember for many years.

On Thursday 1st November, the cast of 'The Tiny Tempest' performed for parents, students and staff at school. Also known as 'Aneesah's Angels' - these children have worked hard since September with Aneesah, Anika and Jen to rehearse small

sections of 'The Tempest' and collaborated on making costumes for the main cast. We were treated to an energetic choreographed shipwreck opening, a magical Ariel Spirit dance and fantastic, confident storytelling. Congratulations performers - *we are such stuff as dreams are made on!*

Attendance—Every day matters; every minute counts

Stebon's magic number is 97. That's because we're aiming for 97% attendance this year. This week's attendance was 97.16% - amazing, for the first week back!

Congratulations to Beethoven, with an amazing 100% record:

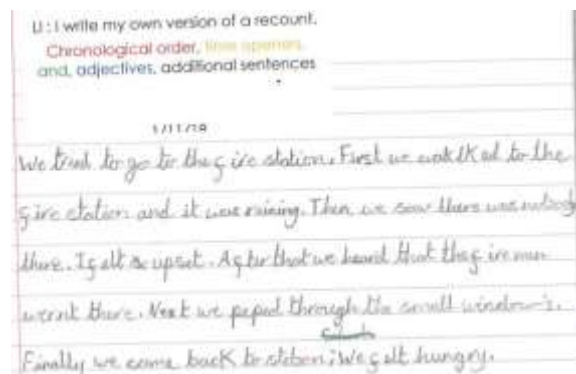

Ludwig Van
Beethoven
Year 3

PS Do ask your child about ice lollies & what these have to do with good attendance.

Year 2 have written a recount of their trip to the fire station. This is by Laaiba in Brian Cox class.

Teaching staff from Stebon adventured to Malaga, Spain this half term. They studied Spanish, arriving back in London ready to launch Spanish lessons with the children at our school. Bueno!
