

Next week is Anti-Bullying week. The theme for this year is **One Kind Word**. To show how unique we all are and our support of the anti-bullying alliance, we would like the children to come into school wearing odd socks on Monday. The odder the better!

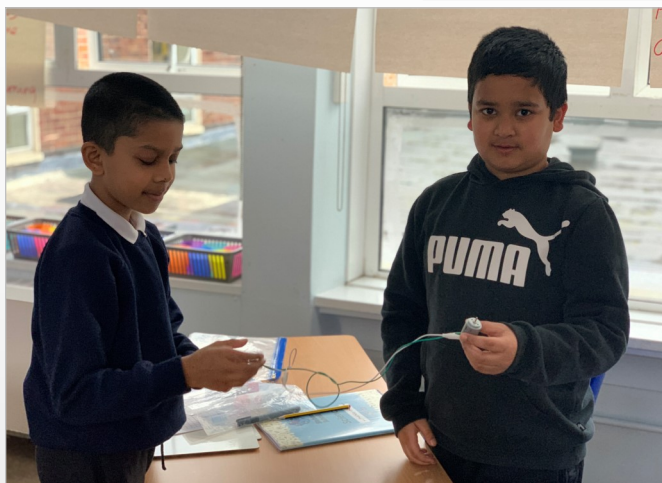

Y3 Ella Fitzgerald class journeyed back in time to the world of the Vikings using Now Press Play. We role played being a Viking child thrust in to the world of invasion, conquest, battle and settling in a new land! We had a great time and learned lots of Viking lore!

Y6 David Attenborough class delivered a thoughtful and reflective assembly on Thursday; Remembrance Day. They read poems and taught us about why we celebrate this day. Well done Y6

Y4 Have been learning about electricity and experimenting with building circuits in their Science lessons. These photos are of Rosa Parks class learning how to make a circuit work.

In Explorers last week, across the school children were: being curious with fossils and constellations; exploring citizenship through legacy and legacy-makers & how they could make changes in their local community; considering acts of kindness as they took their first (singing) steps as good neighbours; and combining teamwork with creativity as they crafted.

This week's Lexia Superstars!

The children that have achieved certificates this week are... *cue drumroll*

Ishaq Ahmed in Y4 Hellen Keller, Fariha Hoque in Y3 Ella Fitzgerald

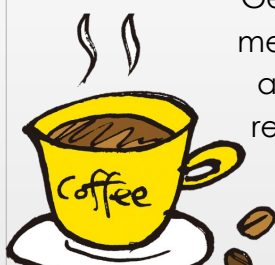

Sazidur Rahman in Y5 Nelson Mandela & Aminur Rahman in Y6 Joy Adamson

We'd like to give a MASSIVE round of applause to these children for using Lexia regularly

Thank you for all of your efforts!

Coffee mornings are back!

Thursdays 9:15 - 10:30am in the Family Learning Room

Get the chance to meet other parents and enjoy lovely refreshments and coffee

November Numeracy Challenge

15 - 21 November 2021

Parents & Carers

Your child's school has entered in the **November Numeracy Challenge**. This is a global mathematics challenge focused on using Live Mathletics. Students take part in 60-second races that test the speed and accuracy of their mathematics fluency skills. Prizes are awarded for top performing schools.

There is also a free Mathletics app for tablet devices; available on Android and iPad devices

Start & End of the day arrangements Autumn 2021

Gates open for soft start from 8.55 - 9.10am

Children will be greeted at their gates and hand sanitizer used before entering.
