Year 1—Trip to the Tower of London

Year 1 had an exciting trip to the Tower of London and they learnt all about the jobs that people do in castles.

Nursery's Apple Crumble recipe

Nursery children made a crumbly apple crumble this week in school. They used their own recipe books to follow instructions about how to make it. Using the peeler to peel the apples was tricky but they learned how to do it safely. They made the crumble using flour, butter and brown sugar. When the crumble was cooked, they shared it with all of the children in their class. Thank you Peter, our Chair of Governor for the lovely cooking apples from his garden.

Start with a Dream

Year 5 started staging their Disney Production of 'The Jungle Book' this week. After weeks of song learning, exploring the role and an introduction to musical theatre - it was great to see the opening number take shape. Stay tuned for more jungle updates.

Change to Stebon Primary school opening and closing times.

From January 2018 until July 2018 we are going to trial **staggering our opening and closing times with The St Paul's Way Primary School** so that parents & children from both schools are not all arriving & leaving at the same times.

New times:

Start time: 9.15 (the main playground gate will open for pupils from 9.00)

Finish time: 3.30.

After-school clubs finish time: 4:45 (unless otherwise specified)

Breakfast Club will continue to open from 8.00

Year 1—Big run

On the 9th November 2017, 10 children from each year 1 class took part in the Poplar Partnership 'Big Run' at Bartlett Park. These are our three best runners. We are very proud of all the children who took part in the run.

Remembrance day assembly

This week, in assembly Stebon remembered all who have died in wars and conflicts throughout the world led by Alfred Russel Wallace class. These Y6 children explained the causes of WW1 and its devastating consequences eloquently through poetry and narration. At 11 o'clock, the whole school observed a minute silence.

Sports achievement assembly

This week we had a sports achievement assembly. Year 5 collected medals for swimming 25m, 50m, 100m and 200m at the Olympic Swimming Pool. We also had a special presentation for 8 children who represented Stebon and won the Tower Hamlet's Netball Competition earlier this term. Well done everyone, keep it up!

Science assembly

Well done to Nyah (ARW Class), Ayann (RS Class) and Shyla (JE Class) for winning the Science Homework competition. Enjoy your evergreen trees.

We are excited to inform you that we are learning our times tables together. Next week's times table is the 5 times table.

Please encourage your child to practise at home and look out for additional practice resources.
