

School will be closed for pupils from Monday 14 Feb-Mon 21 Feb for half term. Monday 21 Feb is a staff INSET day so school will be open again for the second half of the term on Tue 22 Feb 2022.

Adeeb and Tawhid, in Year 3, have found a way to make paper look old. They dip a tea bag in cold water and rub it on a piece of paper. They used this method to make some treasure maps for us to follow around the school. Why don't you try it at home and see if you can make a historic document too?!

Year 5 took to our local streets to engage in a mapping task that helped us observe and record human and physical features in our environment.

We are asking for your help with ensuring children do not bring toys to school from home. These are currently causing difficulties in the playground and children's belongings are getting broken and lost. After half term, any toys brought to school will be confiscated by an adult and returned to the parent at the end of the day. Thank you for your help.

Congratulations to all the children who were voted in to be a part of our new Eco-Schools committee. We are looking forward to our first official meeting after half term. The Eco-Schools committee will be the team responsible for thinking of new ideas on how to keep Stebon improving it's practice as a green flag Eco-School. The committee will help ensure that their peers are educated about what it is to be green and how we are responsible to take care of our school, neighbourhoods and the wider world.

Mohammed in year 6 David Attenborough class has been working really hard with his SPAG learning this term. He got 30 out of 30 on his most recent test. Amazing effort leads to outstanding outcomes - well done Mohammed!

L.I: To compare.

we planed a trick on Jeremy
Jeremy by putting parts
from other bugs into ours.
The beetle has a mandible
but the Avatar has two long
tentacles with eyes. the beetle
has 6 legs but my bug has
8 legs ^{now} however when it gets
tired it flys. the beetle has 2
wings from its elytra but my
bug has 2 butterfly wings that
help it fly for 2 days and 2 nights

Year 2 created their own bugs to 'trick Jeremy'. The children designed their own bugs and also wrote fact files on the bugs. They then wrote a piece about how they tricked Jeremy and compared their bugs to the original bug.

All about the Avatar

what do they look like?
the Avatar has 6 long, skinny legs and 2 beautiful wings.
the avatar has a huge hard shell to protect it from animals and it has 2 tentacles with eyes to help it to see better.

where does it live?
the Avatar lives near the massive wavy ocean. Other Avatars live in the gigantic rainforest. you can find them on branches from trees.

what does it eat?
The Avatar eat some dead animals by putting dust in there eyes to make them blind. The Avatar eats some fruits such as apples grapes and oranges.

the Avatar is flying

Did you know?
the Avatar can fly for 2 days and 2 nights without resting.

Well done to **Y5 Martin Luther King class** for **98.6%** attendance this week!

A special farewell to Jane, our lovely knitting teacher. Jane has been a very important member of the Stebon coffee morning community for nearly 10 years. We wish you all the best in your retirement. You will be missed.

Today we said goodbye to Patricia, our phase leader for Y3 & Y4. She is returning to her home country of Scotland, we'll miss her greatly and wish her all the luck. We hope to see her again soon!

How to write a tailored CV

Have you ever updated your CV and applied for a job and not get a response?

Or perhaps sent the same CV to different organisations

This session will help you to understand:

How to tailor your CV for each job that you apply for

What format to use

How to positively promote yourself

What information should (and should not) be included

The session will be delivered in the Family Learning room at Stebon primary school by Careers Coach Simone Brown-Grant from the University of East London on Thursday 24th February at 10.30 am - 11.30 am.

Education & Childcare for 2 Year olds

Exciting New Provision at Stebon School

Many 2 year old children are now able to access **15 hours of free childcare** per week in the UK from the term after their 2nd birthday.

At Stebon, we are committed to giving all local children the best possible start in life. Being 2 years old is an important time in a young child's development – sometimes they need calm, quiet spaces; at others they benefit from mixing with older children and they will all need daily access to a safe, stimulating outdoor play space. We've adapted our accommodation to meet their unique needs.

Children are eligible if their parents are in receipt of any of the following benefits:

- * Income Support
- * Income-based Jobseeker's Allowance (JSA)
- * Income-related Employment and Support Allowance (ESA)
- * Universal Credit, & household income is £15,400 a year or less
- * Child tax credits, & household income is £16,190 a year or less
- * The guaranteed element of Pension Credit
- * The Working Tax Credit 4-week run on

We have fantastic new facilities for up to 24 two year olds; a safe space where your little ones can develop their skills and independence in a secure and happy environment. The provision boasts a spacious outdoor area, healthy food, varied & exciting activities and caring & attentive staff.

To check if you are eligible and apply please go to
<https://www.childcarechoices.gov.uk/>

It's Children's Mental Health Week this week and the children had 2 assemblies about it last week. They have learnt strategies for ways to look after their mental health and have also learnt about why it's important to say when you're not feeling well - just like we do when we have a headache or a bad stomach.

Talk to your children about what they learned and check out the resources here: <https://www.childrensmentalhealthweek.org.uk/parents-and-carers/>

LET'S TALK ABOUT MENTAL WELLBEING
