Eid Mubarak to all of our Muslim families!

Eid-ul-Fitr is likely to fall on Sunday 1 May or Monday 2 May this year. School will be open as usual on Tuesday 3 May. Eid parties will be on Tuesday and children can come to school in their party clothes. Parents can bring in food; an email has been sent today which details what you can bring.

Year 1 engineers have been busy investigating wheels & axles and how they move. We took a toy vehicle apart to find out more. Our next challenge was to construct our own wheeled chassis and test it to see if it moved well. Great work, engineers!

Denmaker Explorers enjoyed playing in the hall with the big parachute today!

As Eco warriors, Y5 designers have been challenged to come up with innovative ideas for a reusable school lunch bag. We used pattern pieces to make paper and fabric prototypes to develop our ideas. Watch this space to see what they come up with!

Year 1 trip: London Landmarks

On Tuesday, Year 1 visited some London Landmarks on a sightseeing tour. They travelled in style using different methods of public transport to get to and from school. This was for their 'We Love London' theme in Geography learning this term. The children loved sharing facts about each landmark.

Can you spot which modes of transport were used?
