Year 2 Marie Curie class made fans to take with them to their Spanish dance sessions in honour of Spanish week!

The 2 year old nursery children had their own Sports day this week, where they had played games such as bean bag balancing and an egg & spoon race.

Well done to Y5 Martin Luther King class for 98% attendance this week!

Y3 artists have begun researching Mayan masks. Here's Qudamaah wearing a replica mask and embodying the great jaguar spirit. He then made some beautifully observed drawings. Terrific work Qudamaah!

Year 1 have been writing amazing poems about chocolate. Here are some examples of incredible work from Ade Adepitan class

My boton looks like spinning
earth and a dripping icing
and a hamster wheel.

The chocolate boton reely
like a smooth rock and
a rope stroke.

The chocolate boton
smells like a chocolate
fountain.

My chocolate boton smells
like a sweet ice cream.

My chocolate melted like a
chocolate water fall.
It melted like a chocolate
moon.

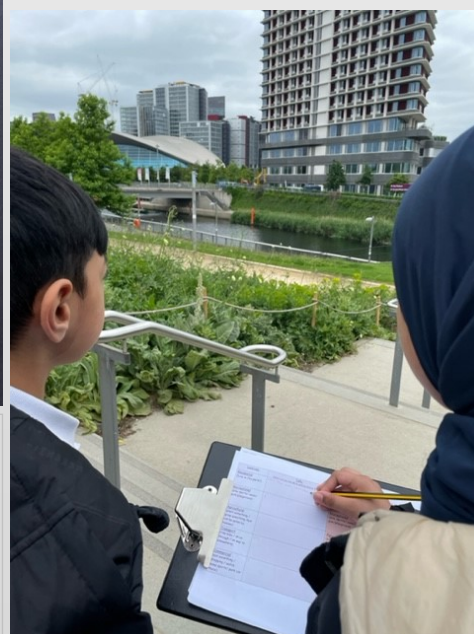

I felt excited because
the world was flooded
with chocolate jelly
fluid.

It melted like a chocolate creepy
moon dripping like blood.

I felt frightened because
it was everywhere.

Yesterday, Year 5 spent the day carrying out land use surveys and observations at the Olympic Park.
