Uniform Swap

Our very first **Uniform Swap** is going to be held at the end of the day on **Wednesday 20th and Thursday 21st of July**. We will be collecting all clean and good condition uniforms, to be donated, the week before (**11th - 15th of July**). These will be organised and displayed ready for the swap on the dates above. Details on how to take part in the uniform swap will be included in next week's newsletter. Let's reduce waste, save money and make this uniform swap a real success!

We will also be hosting a toy donation drive on the same dates. In the next newsletter, we will include a list of toys that can be donated to the school and then they will be shared among the nursery and reception classes to enjoy. Another great way to reduce, reuse and recycle!

Art project

Children taking part in an Arts Award Project with Levitt Bernstein visited Bartlett Park this week. After a chat on why they all should become Landscape Architects, they took their idea of 'framing' their best bits of Bartlett Park and ran with it.

Travel Training

Some of our Year 6s were lucky enough to get invited to attend Travel Training Workshops. They had a private bus journey, and went on a walk to practise road safety.

During these activities they got to learn about the Green Cross Code, and using public transport safely.

Eco-Protector tip #9!

Do you love a bargain and love to shop? Then charity shops are not just a great place to donate to but they are a perfect place to find a cracking bargain too! They are jam packed, with clothes, toys, kitchenware and books. Sold for a fraction of the price of buying new and so much kinder on the planet to buy pre-loved goods.
