Congratulations to Y5 Nelson Mandela class for 99.3% attendance, the highest this week!

Attendance

Every day matters – Every minute counts!

Stebon's magic number is **97** This is because we are aiming for 97% attendance.

This week's whole school attendance was 90%

Come on Stebon!

Switch It Off Day!

On Thursday this week, everyone at Stebon took part in our 3rd Switch it Off Day. Teachers turned off their computers and interactive whiteboards, and all across the school the lights were off!

The purpose of this day is to get us all talking about and thinking about the energy we use, where it comes from, how it impacts the planet and why we should save energy rather than waste it.

The Eco-Protectors would like to thank everyone for taking part and remember...SWITCH IT OFF!

Reception Vincent Van Gogh class did an acting out the story session at the end of the day with the torches and the lights switched off. It was

super fun. The children had lots of questions about energy and the environment and how to look after it. Here are some comments that came from the story that they watched at the beginning of the day.

"The car makes gas that goes in the air" - Dawud

"How do we eat food with no lights" - Ibrahim

"I would fall over in the dark so we need to save the lights!" Madiha

"I scoot on my scooter to school and sometimes I walk" - Kaheesha

"The electricity makes the computer and the phones work. I put my charger in the wall.. plug" - Safwan

School photos

Once orders that are being delivered to school arrive, we will give them to class teachers for children to take home at the end of the school day.

We have made note of the children who were absent on the previous photo day or did not have their sibling photos taken and have booked an additional session for these photographs to be taken on **Tuesday 29 November 2022.**

Thank you for your patience while we have been organising this.

Explorers!

We had our last Explorers session of the term this week!

Star Spotter
Explorers made
their own
constellations!

We wrote in our
passports about our
destinations!

You can hold the constellations up
to a window to see light coming
through the holes or hold up a torch
to light up the constellation in the
dark!

Good Neighbour Explorers visited
Bartlett Park so they could film a video
for the residents of Aspen Court Care
Home.

They sang 'You are my Sunshine' and
had a lovely time!

We hope to show this to Aspen Court
soon.

Crafters have learned how to make pom poms, tried using needle and thread to sew their own designs and decorated them.

Nile Explorers made their own strawberry jam! During their sessions they researched recipes to find the best one. They cut the strawberries and stirred the pot until the jam was ready. Of course, they had to make sure to taste test it, the jam is delicious! They plan to sell them to raise money for charity and have made posters to promote their jam.

JAM:

~~Recipe~~

1. Any fruit (strawberry, blue berry) sugar and lemon juice

* You need to smash the ~~strawberry~~ Strawberries / blue berries

• Wash strawberries chop into small pieces add sugar add lemon juice cook till it's done & and then store in jar

 Jam

 strawberries
