## Collecting at home time

The school day ends at 3:30pm.

If you are unexpectedly delayed, please contact the school office before 3pm to let us know when you expect to arrive or if someone else will collect your child. This gives us time to inform your child's class teacher.

If you have not collected your child by 3:45pm, the school office will try to call you to find out why you are late to collect your child and when you will arrive. We will also apply a £1 charge for the use of Tea Time Club.

For AM nursery children, the day ends at 11:45am. If you have not collected your child by 12pm, the school office will try to call you to find out why you are late to collect your child and when you will arrive.

Y6 have learnt about bridge types and strong structural shapes. They worked in design teams to construct a strong bridge. Excellent teamwork resulted in some innovative, carefully made models. When tested, the strongest was an expertly constructed truss bridge. Superb work!

Last week the Eco-Protectors became 'twitchers' and took part in the RSPB Big Schools' Birdwatch. They spotted black birds, magpies, wood pigeons and a solitary Robin. Can you guess what the most frequent bird spotted in our playground was? you guessed it..pigeons!
