Attendance

**Every day matters – Every
minute counts!**

Stebon's magic number is
97 This is because we are
aiming for 97% attendance.

**This week's whole school
attendance was 93%**

Come on Stebon!

NEU strikes: Wed 5th July & Fri 7th July 2023

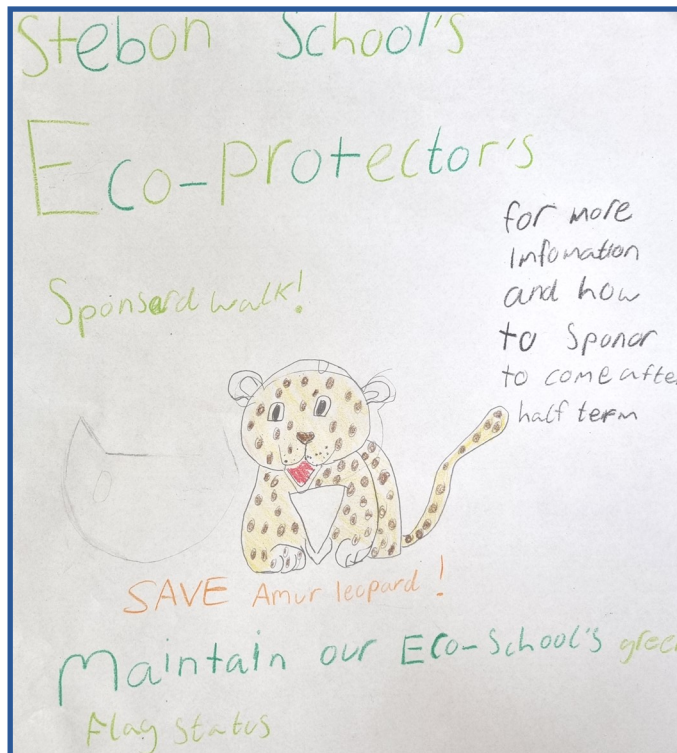

Just as on the previous strike days, our foremost consideration is the health & safety of the children in school. With this in mind, we have decided to put similar arrangements in place on Wednesday & Friday:

- The 2 year-old provision will be open as usual.
- The nursery will also be open for both morning and afternoon pupils.

- We have invited a number of other pupils in other year groups to be in school if there is a particular reason why they should be here e.g. children whose parents work for the NHS. School will be closed for all other pupils.

The kitchen will provide packed lunches for children who are eligible for free school meals but who may not be in school on that day. This is the same arrangement as the previous strikes so you would have already been contacted. These packed lunches can be picked up from the school office from 12pm on both days. All children in school that day will receive a hot meal as usual.

The decision to close the school for any pupil is a difficult one to make and we understand that this might cause frustration. We trust, however, that you understand we are making the decision in what we believe to be the best interests of your children & we apologise for any inconvenience that this may cause you.

The grand total raised to help protect the Amur leopard from extinction is...£1,232.95!

Thank you again to everyone who took part, children and adults alike. We are blown away by your generosity.

Class photos

You will be able to order photos and delivery to the school for free. We will share how to place orders once the photos are ready.
