**Congratulations to Y5 Nelson
Mandela class who had 100%
attendance this week!**

Attendance

**Every day matters – Every
minute counts!**

Stebon's magic number is
97 This is because we are
aiming for 97% attendance.

**This week's whole school
attendance was 93%**

Come on Stebon!

Issue 36

A group of children got the chance to work with two professionals from Levitt Bernstein: a landscape architect & an urban designer, who told us about their jobs.

We looked at the streets around the school and thought about what we might change to make them even better for people, animals and the environment. This week, we brainstormed ideas though sketches. Next week, we'll work in 3D.

Uniform Swap 2023

We will be collecting for the summer term uniform give away from **today to Thursday 14th of July**. Please bring any no longer needed uniforms to your child's teacher or the school office. You can bring the following items: skirts, trousers, jumpers, shirts, summer dresses, PE kits, school shoes or trainers and book bags. Please ensure all items are clean and in good condition.

The uniform giveaway will take place after school on **Friday 14th July at 3:30pm in the main playground**.

How to order your child's class photo

Vancols Photography Please take me home
SCHOOL PHOTO REGISTRATION CARD

School
15471 Stebon Primary School

Class

Photographed on
27/06/2023

Vancols is pleased to confirm your school photograph was taken today.

Register to view your photograph.

Parents: Scan the QR code using your Smart Phone or Tablet.

QR Code

Alternatively browse to: <https://www.getphotos.co.uk>

Then use the unique photo code below to register and view your photograph.

Photo Code

Various Selection of Packs Available.
Frames and Poster Prints.
Group Print Gifts.

Call if you have a question - 01206 273711

☐ Delivery by Post.

☒ Return to School

Note: Postal orders can take up to approx 7-10 days to process.

Return to School

Please select a school for your order to be returned to free of charge.

Stebon Primary School

Please enter the class name and student first and last name so that the school can forward your order correctly.

Student Name (First and last name)

Class Name

Please type the class name exactly as shown on your proof card

1. Scan the 'QR Code' or enter the 'Photo code' on [Vancols](https://www.vancols.co.uk) website & sign in.

2. Click on 'Buy Now' -> Add to Basket' for the size you want to buy. You can buy multiple photos in one order.

3. Click 'Checkout' -> 'Next' -> 'Return to School'.

4. Enter your 'Child's First & Last Name' then go to payment.

To get free delivery to school you must order before Tuesday 11th July 2023.

Photos will arrive before the end of term and be given to your child's class.

If you need help ordering or need a photo code, please come to the school office.

Junior parkrun at 09.30AM

Summer Fun!

Ideas to support learning, play and well-being.

Visit the Childhood Museum in Bethnal Green

London's beloved Museum of Childhood has reopened on 1 July 2023. Kids have been involved in the building's redesign and it now has a wealth of interactive elements, centred around three galleries: Play, Design and Imagine. Kids can create their own Minecraft version of a town square, get on stage in a performance and storytelling space, play in a sand pit and much more.

INTERVIEW ELDERS

Encourage children to ask grandparents, aunts, uncles, and other relatives about kid friendly topics. Here are a few ideas...

1. What was their favourite childhood toy?
2. Where did they live as a child? What was their home like?
3. What was the biggest event of their childhood?

If possible, record the interviews to keep a video keep sake. Or request written replies to preserve the stories and the handwriting in a scrap book.

WATERMELON FREEZER POPS

You will need seedless watermelon, paper straws, fresh blueberries and vanilla yoghurt. Cut a half inch slice from the watermelon, use a cookie cutter to cut star shapes. Insert a paper straw into the centre bottom of each star. Press a hole into the centre of each star and place a blueberry in it. Use a plastic freezer bag to drizzle the yoghurt over the watermelon by snipping it at the corner of the bag. Enjoy! Try with other fruits such as pineapple, mango and grapes.

SINK THE BOAT STEM CHALLENGE!

The aim is to find out how many coins it takes to sink a foil boat. You will need tin foil, coins and a towel to dry the coins. Encourage your child to construct a boat with tin foil. Test the boat. Repeat the investigation but this time use different sized foil boats. Do smaller boats sink with less coins?

Criminals often use bikes and mopeds to snatch mobile phones from people

Follow these simple steps to help protect your phone.

Be aware of your surroundings

- If you need to call or use your phone on the street, look out for anyone on a bike or a moped near you
- Don't text while you're walking – you won't notice what's going on around you
- If that's not possible, stand away from the roadside, close to a building or wall, so no one can come up behind you
- Go hands free if you can

Use security features on your phone

- You must switch on your phone's security features to protect your phone
- Use the keypad lock so that thieves cannot immediately access your phone, or use the biometric authentication if your phone has it (finger print or facial recognition)
- Your phone may have other security features you can use – these could allow you to wipe data, lock your handset, or prevent a thief from restoring a phone to its factory settings

from another internet device

- Consider installing an anti-theft app. These can be an effective way of helping police trace your phone and identify the thief

Know how to identify your phone if it's stolen

- Every phone has an IMEI number which helps police and insurance companies to identify it if it's stolen. UK network operators can also stop a stolen phone from working across their networks with its IMEI
- Find your IMEI number by dialling *#06# from your phone and keep a written note of it.
- If the phone is stolen, report the number to your mobile provider to stop it being used
- Register your valuables on an accredited property database.

Remember, never confront a thief or risk your own safety for the sake of your mobile phone.
