Congratulations to Y2 Marie Curie  
class who had 98% attendance  
this week!

## Attendance

**Every day matters – Every  
minute counts!**

Stebon's magic number is  
**97** This is because we are  
aiming for 97% attendance.

**This week's whole school  
attendance was 94.5%**

Come on Stebon!

**Attendance  
Matters**  
Every student. Every day.

Dear mums, dads & carers

It is with great excitement and pride that I am now able to share our  
[Ofsted report](#) following the inspection in the final week of last term.

The headline is: Stebon is officially **Outstanding** in all areas. But it is the  
detail of the report that is especially lovely to read. Enjoy.

Thank you for all your help and support over the years. This report belongs  
to you!

Kind regards

Jeremy Iver  
Headteacher

## Exercise and Asthma - Asthma and Lung UK

The article from Asthma and Lung UK highlights the benefits of exercise for children with asthma, by saying that exercise:

- can maintain a healthy weight and build stamina in the lungs, so they get out of breath less.
- boosts the immune system, meaning that children are less likely to get coughs and colds, which would make their asthma worse.
- offers a boost to mood and self-esteem, influencing how they manage their asthma
- helps children feel more confident about their asthma and what is achievable

## Clean air day

June 15th was clean air day, but in reality every day should be clean air day. We can all play our part in improving air quality. To find out more about what you can do as an individual to improve air quality for your children please click on the link below where you can find practical tips. The site includes a clean air planner, text alert service to be notified about air pollution levels and information videos.
