**Congratulations to Y5 Malala
Yousafzai class who had 99%
attendance this week!**

Attendance

**Every day matters – Every
minute counts!**

Stebon's magic number is
97 This is because we are
aiming for 97% attendance.

**This week's whole school
attendance was 96%**

Come on Stebon!

Stebon is part of an Interschool Sports Project this year along with 4 other schools in the borough. We will be taking part in various different sporting activities throughout the year. Some of the children took part in New Age Kurling and Archery this week, which was the launch of the project. The children had a fantastic time and we are already looking forward to the next event!

Superb work great potters!

Y5 MLK class have applied their clay skills to create some fantastic vases. They added biographical details & incised patterns to make their pots really individual.

Monday 9th October: Individual & sibling photos

Photographers will be in school for one day only to take your children's portrait photos. Please make sure they are in school and in full uniform. Pupils will receive forms to take home so you can order the photos, information about ordering will be shared soon.

Wednesday 11th - Wednesday 18th October: Travelling Book Fair

The Book Fair will be back before and after school. Come along and browse through. We will be taking card payments only for this event.

Ideas to support learning, play and well-being

Create a Comic Strip

Do some internet research first- look at some comic book imagery to get inspiration. Get your child to think of a storyline and their main character or superhero for their own comic. Divide a piece of paper into grids and get them to draw out the story sequence. Add speech bubbles and thought bubbles to bring the comic to life.

BLACK HISTORY MONTH

Building Strong Identities

To mark Black History Month, October's Platform to Talk is on the theme of 'Building Strong Identities'. The online session will explore the importance of belonging, culture and identity.

Platform to Talk- Building Strong Identities

Delivered online through ZOOM

Thurs 12 Oct 10am-11am

More details and booking: parentalengagement@towerhamlets.gov.uk

Place Value Cups

Write the digits 0-9 on a set of disposable cups. Now say a two-digit number like 78 and get them to create it using the cups. Challenge them by getting them to use the cups to create even larger numbers.

Autumn Art

Create your own Autumn art- using found natural materials like leaves. Look carefully at the shape of the leaf and see if it reminds you of anything. Use paint and pens to add features and create animals or you could even invent your own imaginative creatures!

Get supported by medical professionals who will listen and help, including doctors, counsellors and substance misuse workers.
