The Healthy Lives Team are running a competition where they are asking primary school pupils to design a healthy meal for the LBTH school menu. The meal will then be prepared and served as part of the boroughs school lunch menu.

Pupils are encouraged to create a meal of their own design; this could be a cultural meal, their favourite healthy meal or a plant-based meal.

The winner will be presented with their prize at a school assembly by the Deputy Mayor of Tower Hamlets.

Please submit your meal design to sultanax.begum@towerhamlets.gov.uk

In your submissions, please ensure to include the pupils name, class and school.

Submission deadline is Friday 20th October 2023.

The Children's Commissioner for England, Dame Rachel de Souza, has launched **The Big Ambition**, a national survey of children and young people across England what they think is important!

In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England.

The Big Ambition is open to children and young people in England aged 0-18 years old.

Parents are being encouraged to complete the survey for those who may need additional support or on behalf of younger children (under 6) to make sure the needs of early years children are represented too.

The survey can be completed [here](#)
