Attendance

**Every day matters – Every
minute counts!**

Stebon's magic number is
97 This is because we are
aiming for 97% attendance.

**This week's whole school
attendance was 96%**

Come on Stebon!

Friendship & Anti-bullying Week: 13-17 November 2023

The week beginning 13th November is National Anti-bullying week. This year's theme is **Make A Noise About Bullying**.

At LETTA and Stebon, we believe that by talking about bullying before it happens, this helps children to both recognise it and know what to do about it.

It is really important to us that by the end of their time at the LETTA trust, our children will know and understand:

- Bullying is not OK & we need to understand the impact of it.
- We need to speak out for ourselves & others.
- Bullying is not tolerated at Stebon.
- We must help each other learn how to change our behaviours.

Odd Socks Day on **Monday 13 November** marks the start of Friendship & Anti-bullying week. To show how unique we all are and our support of the anti-bullying alliance, we would like everyone to come into school wearing odd socks. The odder the better! The

teachers and staff will be taking part too so be on the lookout for the oddest pair!

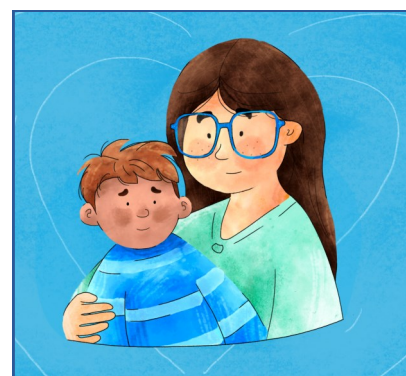

We are fundraising for Children in Need this year. Our donation page is live on [Parent Pay!](#)

More information will be shared with you soon!

When conflict or war makes the headlines, it can cause feelings such as fear, sadness, anger and anxiety wherever you live.

[UNICEF](#) has shared tips on how to approach the conversation with your child and to provide them with support and comfort.

Please let a member of the leadership team know if you need further support.

EYFS Open Days (EL2/Nursery/Reception)

Come along to one of our open days to find out more about our early years provision. Contact the school office to express your interest.

- Tuesday 21st November, 4pm
- Tuesday 9th January, 4pm
- Tuesday 5th December, 4pm

Idrees (Y4 Rosa Parks) & Ilyas (Y1 Margot Fonteyn) went to the Abu Dhabi World Jiujiutsu Festival and won medals. Well done!

Hamim (Y2 Brian Cox) innovated a recount of the Great Fire of London to write about the Great Flood of Stebon. His amazing writing is informative and makes for a very exiting read.

Amazing maths work from Adil (Y3 Ravi Shankar). 3 digit add 3 digit with exchanges!

Y5 worked to complete their marvellous vases inspired by Ancient Greek pottery and contemporary potters Grayson Perry & Ladi Kwali. Our designers applied their skills to add autobiographical details to the surface of their vases.

Here's Yasin's result after many weeks of hard work! I wonder if you can work out what his pot will be used for? Great work, Malala Yousafzai Class!

Professional engineers visited Y6 Joy Adamson class. We learnt about the job of engineers and how they go about designing and building structures like bridges. We also had the chance to visualise real-life spaces via VR headsets and investigate technical models. Huge thanks to Arcadis UK for enabling such a valuable & engaging session for our own budding engineers.

Y6 have had the opportunity to experience what life was like to live during the Blitz! An air raid siren went off in their classroom, meaning they needed to evacuate to the school basement where they were greeted by Stebon's finest Air Raid Wardens! While in the basement, they heard the sound of bombs dropping above them. We are really excited to see their writing on the experience in a few weeks' time.
