Erin in **Year 3** Beethoven class made this sign for their focus charity, British Red Cross.

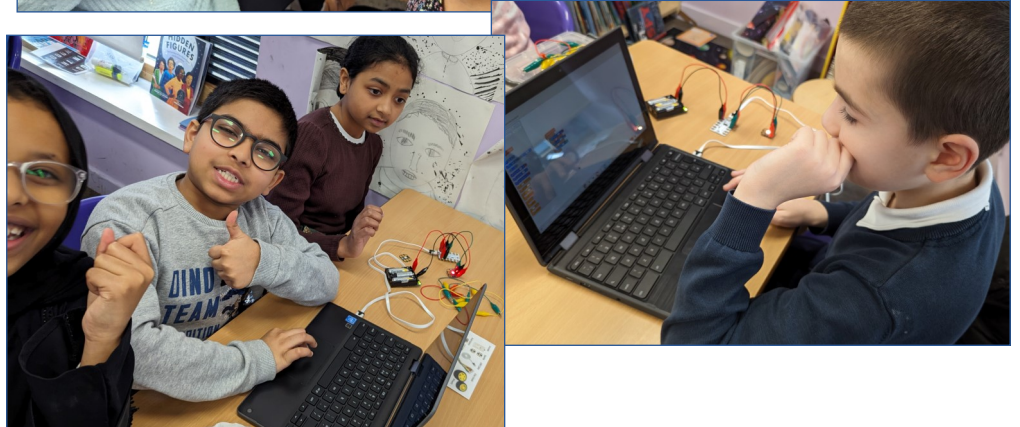

This week in Art club, the children have made some decorative clay pots.

Year 5 Malala Yousafzai class have been working hard this week learning about a piece of kit called Crumble!

They have been using their coding knowledge and understanding of circuits to program a small light called a 'sparkle' to flash different colours. We are really excited to see what we can do with Crumble next!
