The children in **Reception** Axel Scheffler class have been busy applying their phonics skills to fun games in the classroom!
In this game they had to roll the coloured dice and cross out the matching sound. Some children even took their learning further by using the sound in their own words and sentences.

Last week, our Nursery children went to Stepney City farm to see the animals. Our children and parents got the chance to feed the animals and even stroke the donkeys! It was great fun for everyone involved and we can't wait to go back.
