[Term dates for 2023/24 & 2024/25](#)

Congratulations to Y4 Emmeline Pankhurst class who had 99.1% attendance this week!

Attendance

Every day matters – Every minute counts!

Stebon's magic number is **97** This is because we are aiming for 97% attendance.

This week's whole school attendance was 95%

Come on Stebon!

Year 1 went on a trip all across London. We got the boat down the River Thames from Canary Wharf to the London Eye. We saw the Shard, Big Ben, Westminster, Tower Bridge and St Paul's cathedral! Here are some photos from Margot Fonteyn class.

Spanish Week is from Monday 20th - Friday 25th May at Stebon. Pupils can come to school on **Monday 20th May** in non-uniform, preferably red and yellow, the colours of the Spanish flag!

Our **year 1** engineers have been learning about wheel & axle mechanisms. Gika popped in to see the vehicles they had designed for him to carry things around the school. He listened to their ideas and had the difficult job of judging the three most useful ones. Excellent work year 1!

Reception took a trip to Bygrove Forrest school this week. Beatrix Potter class found lots of slugs and worms under logs. We also found a newt in the pond!

Our **Arts Ambassadors** just before entering the Lyceum Theatre to see a special rehearsal of The Lion King. We loved seeing the marvellous sets, costumes and masks. What a great show!

We have had some new additions in **Reception** - ducklings! Here they are having their first swim in Beatrix Potter class.

This week in **Art Club** we have been using glue and paints to make beautiful vibrant colours 3D jellyfish.

Heartfelt thanks to the brilliant mummies who have been popping into the art room to help **year 4** Rosa Parks class overcome the trickier bits of sewing their lavender bags. We've made them for someone special in our lives: to help them sleep, to soothe pain, scent a wardrobe or hang in a room. So proud of you RP! Here's just a few.
