**Congratulations to Y6 David
Attenborough class who had
100% attendance this week!**

Attendance

**Every day matters – Every
minute counts!**

Stebon's magic number is
97 This is because we are
aiming for 97% attendance.

**This week's whole school
attendance was 94%**

Come on Stebon!

It has been lovely to see parents at our welcome meetings this week!

A reminder, children from Years 3-6 should be dropped off at the school gates or entrance to the school building and then walk themselves to class.

Unless otherwise arranged, parents should not enter the school building. This is to encourage children's independence and motivation, and helps to keep our school site secure.

Welcome meetings

Come along and meet your child's class adults and phase leader, we look forward to meeting you to tell you all about the learning for this year!

A few more examples of the wonderful portraits produced by our young artists. Beautiful work

Kyle has epitomised the hard work of all of year 6 with some great maths learning. We are really impressed with the start he has made - keep it up!

Year 4 Rosa Parks are working on our quiet reading skills, ask us what we are reading when you see us!

Every day matters.

Every minute counts.

Attending primary school regularly provides a wealth of social, health and academic benefits for children.

The higher a pupil's attendance, the more they are likely to learn and perform better in exams and formal assessments.

Primary schools also offer a range of extra-curricular activities to support children with their learning and help them to find something they are passionate about.
