Alejandro (Y5) has made a new sign to put up in the corridor that reads, 'At Stebon Everyone Belongs'.

He enjoyed designing and creating his poster and we can't wait to see it on display.

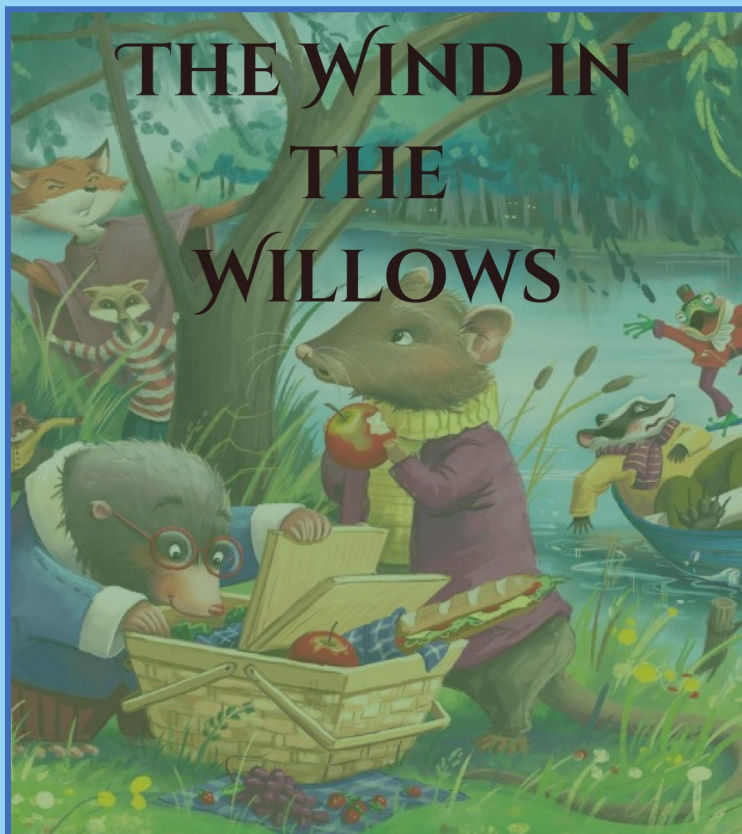

A really brilliant day! Our arts ambassadors visited the London studio of Levitt Bernstein who re-designed Bartlett Park.

We gained insight into how architects, urban designers & landscape architects work together and develop their design ideas.

Huge thanks to Kate & all at LB!

### Parent Voice Survey 2025

Thank you to everyone who has completed [our survey](#) so far!

If you are a parent or carer for a child at Stebon, we would really love to hear what you think about the job we're doing. This is so that we know the things to keep doing and where we need to make improvements.

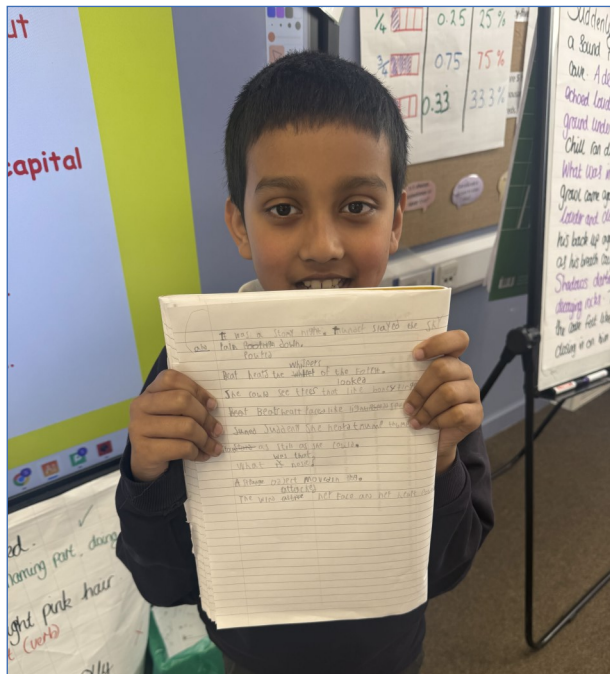

We really want to make sure that we've heard as many voices as possible so that we can make the best possible decisions about our school ... so appreciate every response.

This questionnaire does not replace the 'Shaping Stebon's Future' event for parents in the summer term. It will help us to know which things you'd like to talk about.

Abu Hamza (Y5) has written a really excellent opening to his suspense story this week. He independently used his plan, language from the working wall and his own ideas to create a really spooky and negative mood. We can't wait to read the rest of his fantastic story when he finishes it next week!

Reception made Eid cards during our group time. They worked really well taking turns with the glue and glitter and they all really enjoyed it!

Y4 Helen Keller class have been enjoying Bookflix N' Chill every Friday. Especially since parents, carers, older siblings and some very generous year 6's have been kind enough to come and read with us and engage in book talk.

In Art club, children evoked spring in their art in their freelance painting.
