Congratulations to Y2 Brian
Cox class who had 99.3%
attendance this week!

Attendance

**Every day matters – Every
minute counts!**

Stebon's magic number is
97. This is because we are
aiming for 97% attendance.

**This week's whole school
attendance was 95%**

Come on Stebon!

Class photos

We took our class photos on Wednesday!

You should have received a QR code cards from your child's class team. If you have lost your child's code, please contact admin@stebon.org.uk

You will be able to order photos and delivery to the school will be free. We will share how to place orders once the photos are ready next week.

In the meantime, you can scan or enter the QR code on <https://www.getphotos.co.uk/>. You may need to create an account and you will receive an email notification once the photos are ready.

Hot weather reminder

Please remember to put sunscreen on your children before coming to school.

Children can bring a frozen or very cold bottle of water to school, sunscreen & a sun hat.

If children are wearing jumpers or sweatshirts when they arrive, we will encourage them to take them off once they get to school. They can wear a plain white T-shirt or polo shirt with or without the Stebon logo. Shoulders should be covered so no vests please.

Please remember that, for safety reasons, children should not wear flip flops or sliders.

FRIDAY 11TH JULY

RECEPTION GRADUATION!

AS 9:20 – 10:00
VWG 10:20 – 11:00
BP 2:30 – 3:10

JOIN YEAR 6 FOR THEIR FINAL LIVE PERFORMANCE AT STEBON...

ARW – TUES 15TH JULY 2:30
DA – THURS 17TH JULY 2:30
JA – FRI 18TH JULY 2:30

Our Arts Ambassadors watched the ABBA Voyage show.

They had a great time watching this unique music experience with the amazing holograms and light effects.

The most frequently heard questions was: "Is that bit real?"

Some of our children in Year 5 had the opportunity to go canoeing at Shadwell Basin Outdoor Activity Centre on Tuesday. They had a fantastic time on the water learning the best technique for making the boat move quickly - they also got to improve on their teamwork skills!

Visit Year 4 Helen Keller class to find out how YOU can make a difference in the fight against climate change. The students have been working hard on their amazing posters to inspire you to take action. Become a climate change hero!

This week, our Family Engagement Team had a fantastic day at the Annual Parent Conference held at the Town Hall! We were thrilled to be joined by two wonderful parents from our school.

The conference was a brilliant opportunity to attend workshops, engage in discussions, and network with other schools and parents. We found two workshops particularly insightful: "Creative Wellbeing to Promote Family Connection" and "When Innocence is Lost: Understanding Netflix's Adolescence and Protecting Our Children in a Digital World."

We also had the chance to meet with various external organizations. One that really stood out was DLR and Transport Services. They shared an incredible initiative: one-to-one sessions for parents who find it challenging to use public transport, whether due to unfamiliarity with the system or anxiety.

This sounds like a truly supportive service!

If you or someone you know could benefit from this transport support, please don't hesitate to reach out to Rabia to be referred.
